

The University of Manchester

DEGREE CONGREGATIONS

December 2016
in the Whitworth Hall

“Use your head,
but follow your heart.”

Nancy Rothwell

Congratulations from the President and Vice-Chancellor

I welcome you all – graduands, family members and friends – to The University of Manchester for this degree congregation.

This is a time of celebration and I hope you enjoy this special occasion.

For those of you graduating today, this is also a perfect time to reflect on your time here at Manchester, to think about your successes, achievements and the excitement of the next stage of your journey. As you are presented for conferment of your degree, the University shares with you a great sense of pride in the award you have worked so hard to attain.

I encourage you to take charge of your future, find your voice and form your own opinions. Have confidence in the knowledge and experience you have gained during your time here and, as you collect your degree, know you are ready to take on your next challenge and shape your own future.

These ceremonies mark not the end of your relationship with the University but the start of a new chapter. You are now part of a world-wide network and it is my hope that the links between you and the University will grow stronger as you become an active member of one of the largest global alumni communities.

I wish you every success for the future and hope that you have a truly memorable day.

Professor Dame Nancy Rothwell

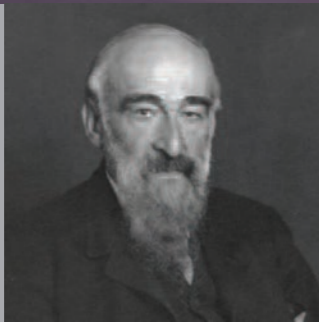

Leading the way

Our distinguished staff and alumni invest us with progressive principles and a desire to improve people's lives through research and teaching. Throughout our history Manchester has led the way and helped shape the modern world through discovery, ideas and knowledge.

1893

Samuel Alexander

Professor of Philosophy at The University of Manchester 1893-1925

1908

Ernest Rutherford

Chemist and pioneer of nuclear physics and the first to split the atom 1908 Nobel Prize in Chemistry

1991

Dr Mark Kermode

Film critic, broadcaster and author
PhD English 1991

2012

Jeanette Winterson OBE

Professor of Creative Writing and author

1898

Catherine Chisholm

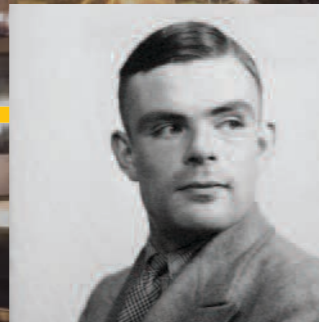

First female graduate of Medicine, a paediatrician and founder of the Duchess of York Hospital for Babies.

1948

Alan Turing OBE FRS

Developed the concept of the Turing machine. Still one of the most widely examined theories of computation

1991

Sophie Raworth

Journalist and BBC News presenter
BA French and German 1991

2006

Prof Danielle George

Professor of Radio Frequency Engineering, PhD Electrical Engineering and Electronics 2006

1906

Christabel Pankhurst

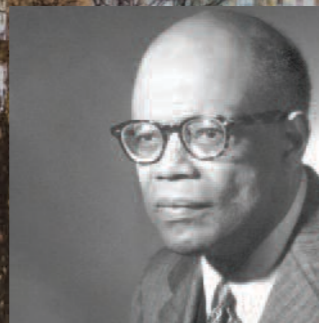

Suffragette and a co-founder of the Women's Social and Political Union LLB 1906

1979

Arthur Lewis

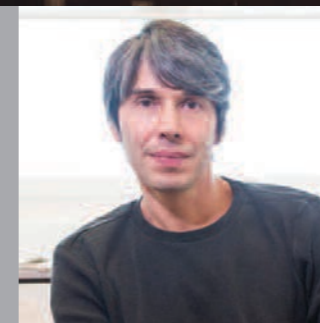

Economist, Nobel Prize winner and Britain's first black professor 1979 Nobel Prize in Economic Sciences

1998

Prof Brian Cox OBE

Physicist and science broadcaster
PhD Physics 1998

1999

Benedict Cumberbatch CBE

Oscar-nominated actor, star of The Imitation Game and Sherlock BA Drama 1999

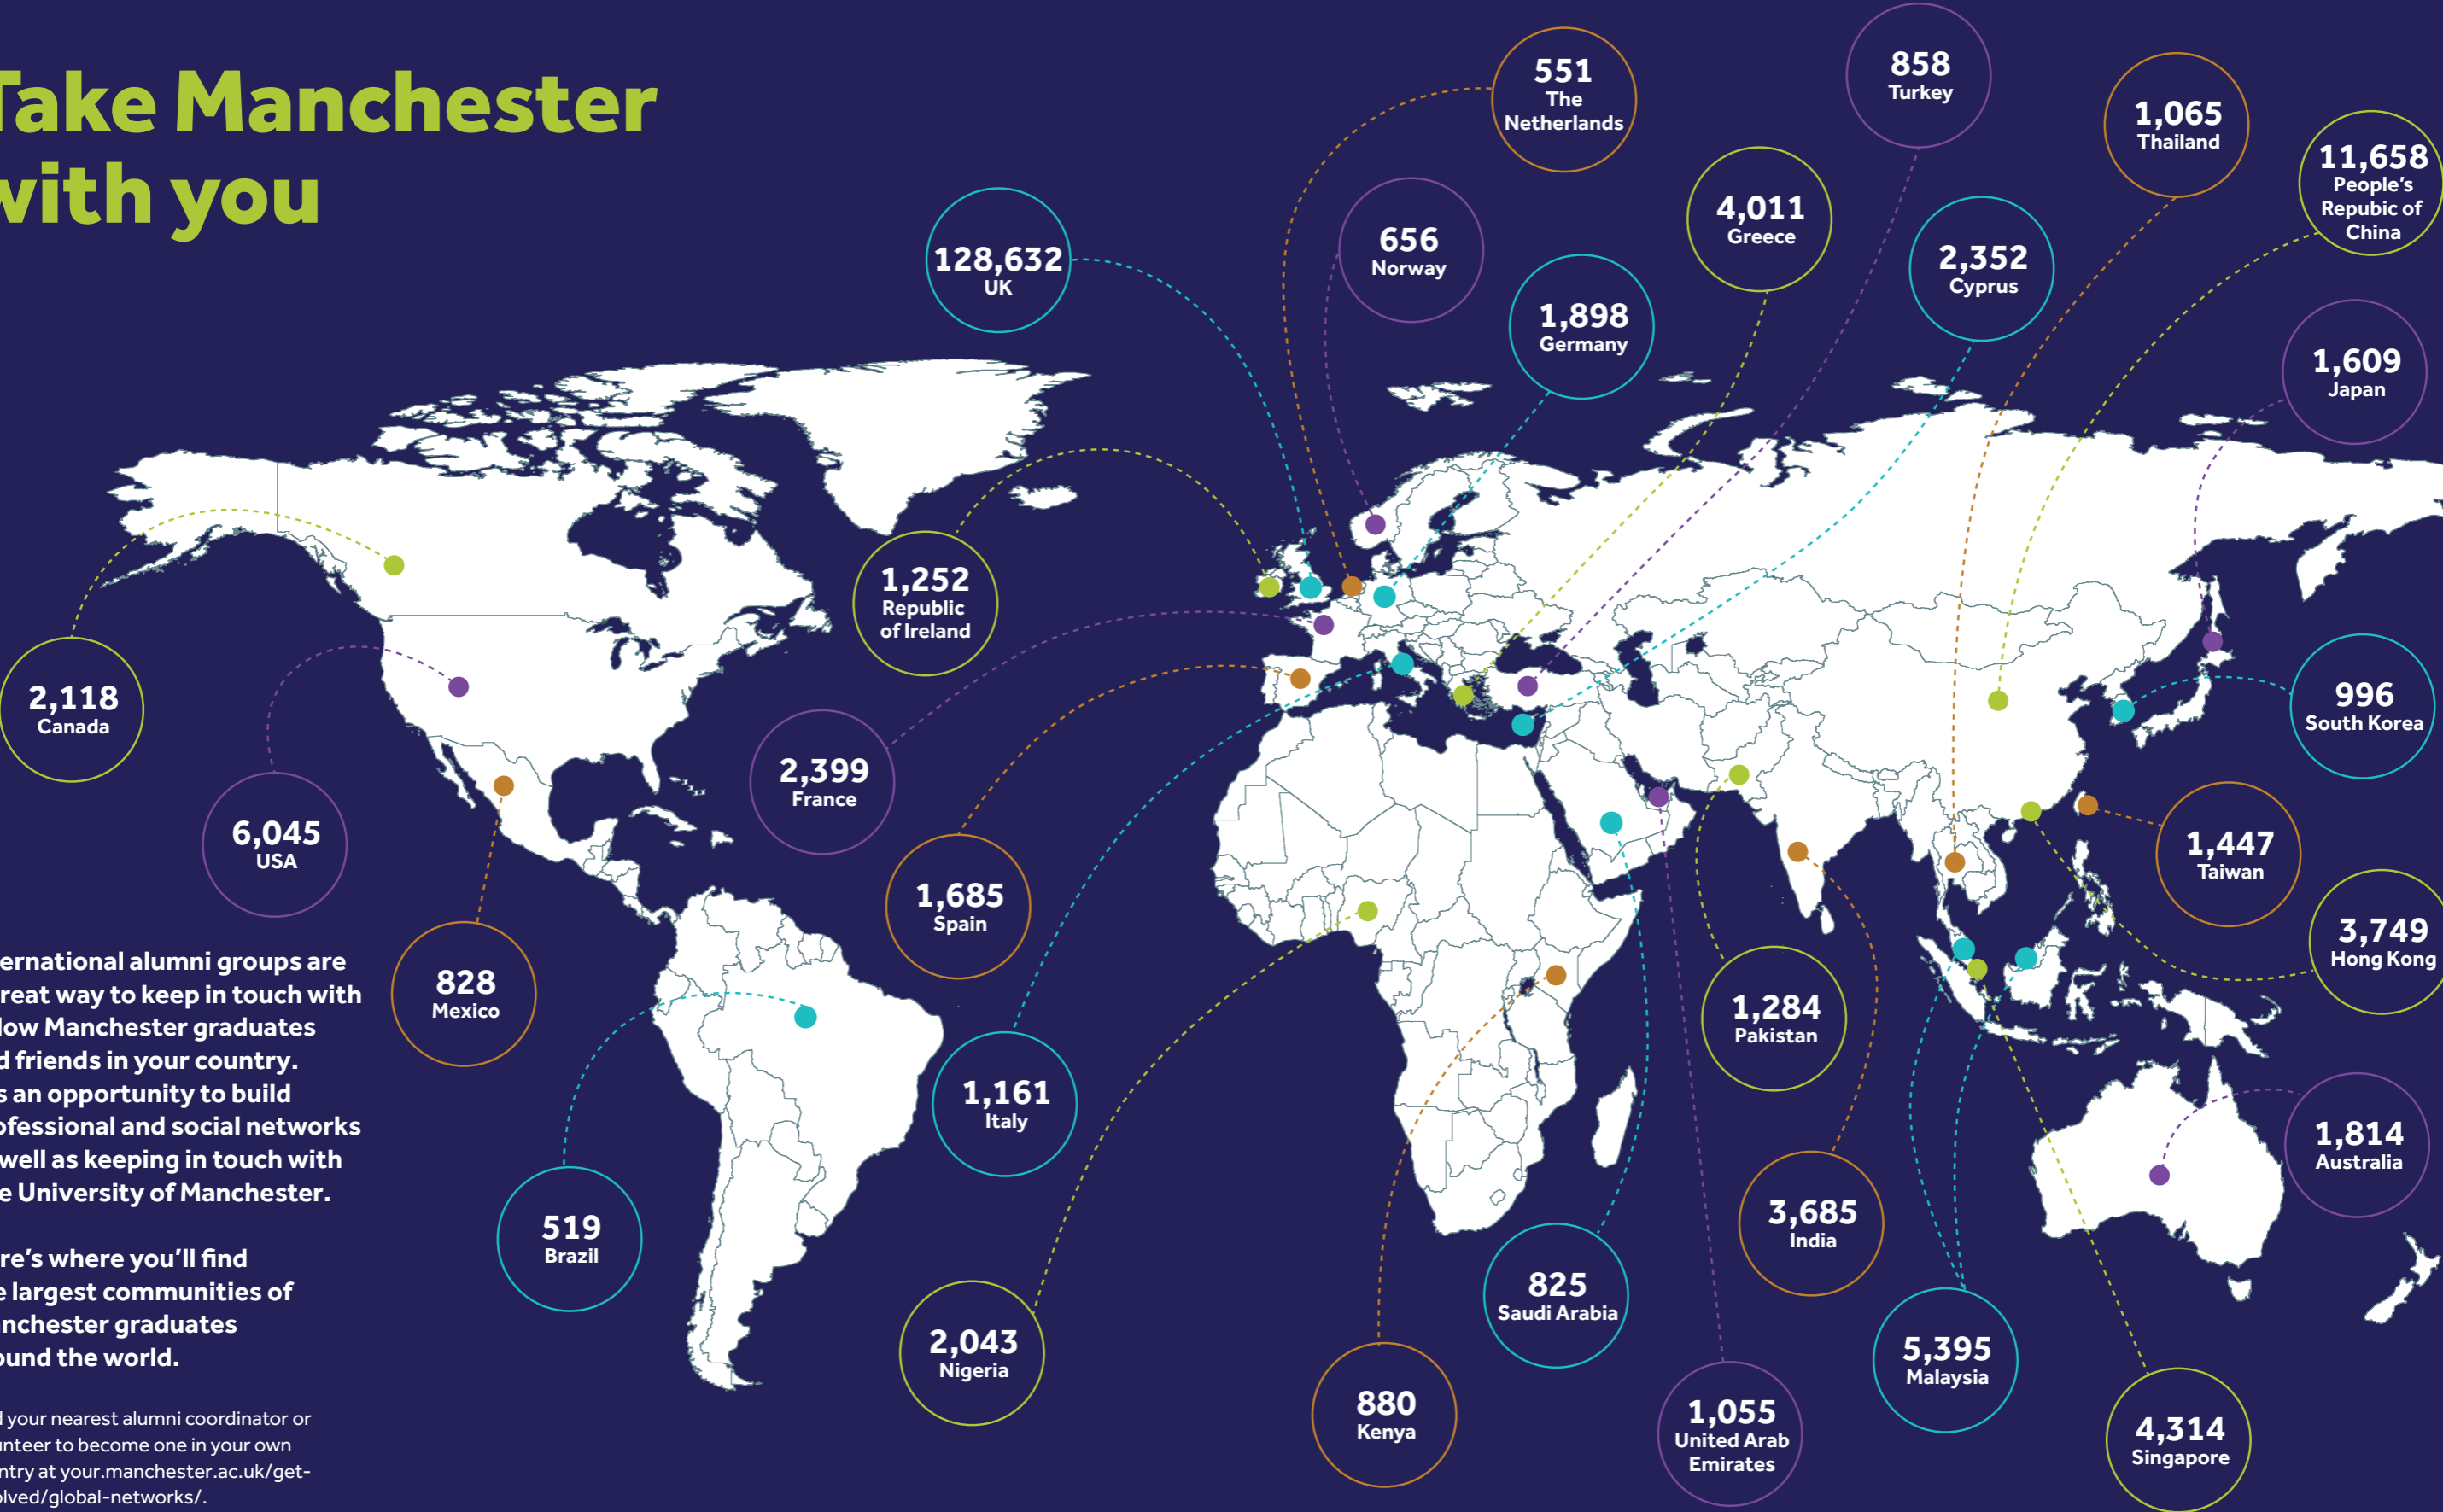

Take Manchester with you

International alumni groups are a great way to keep in touch with fellow Manchester graduates and friends in your country. It's an opportunity to build professional and social networks as well as keeping in touch with The University of Manchester.

Here's where you'll find the largest communities of Manchester graduates around the world.

Find your nearest alumni coordinator or volunteer to become one in your own country at your.manchester.ac.uk/get-involved/global-networks/.

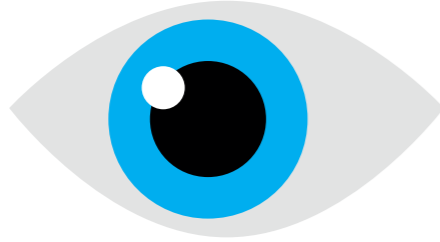

Highlights

2015-16 was an eventful year for the University. Here are some of the highlights that made news.

World's first bionic eye transplant

Manchester Professor Paulo Stanga conducted the world's first bionic transplant in July 2015. The four hour operation implanted a device to convert video images from a miniature camera installed in his glasses.

Germ trap technology could protect us against the flu

In March 2016 The University of Manchester and scientists at biotech company Virustatic developed a fabric coating which isolates viruses responsible for seasonal and pandemic influenza.

According to the team, the 'germ trap' has a capture rate for the virus - which affects millions of people across the world, sometimes severely- of greater than 99%.

The germ trap - which can be added to filters in masks or air filtration systems - is completely harmless and cheap to produce.

MBS becomes Alliance MBS; precinct bridge demolished in August

The iconic precinct bridge was demolished in August 2015. The 46-year-old bridge was taken down as part of a project to make room for improved student and staff facilities, and to provide 40,500 sq ft of new retail and leisure facilities for the new Alliance MBS.

Whitworth wins VisitEngland award

The University of Manchester's Whitworth won gold at the VisitEngland Awards for Excellence in the large visitor attraction category in March 2016

The 'gallery in the park' - which reopened in March after a £15 million transformation- beat a range of renowned competitors such as Chester Zoo, SS Great Britain and Salisbury Cathedral. The largest renovation in its 125-year history, which doubled its former size, with a new glass wing overlooking Whitworth Park resulted in record-breaking visitor figures.

Lemn Sissay becomes Chancellor in 2015

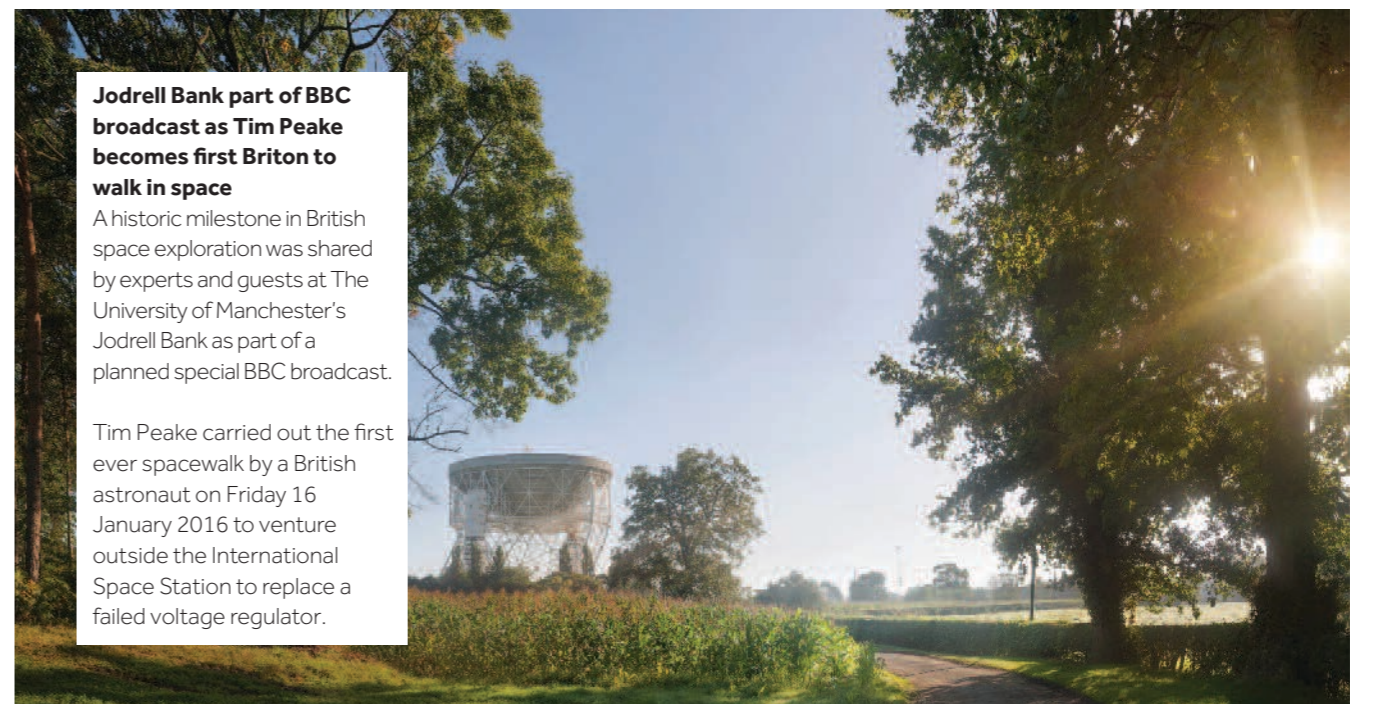

Writer and broadcaster Lemn Sissay MBE was elected as the next Chancellor of The University of Manchester. An award-winning poet, he's also the author of articles, records, radio documentaries and public art.

Jodrell Bank part of BBC broadcast as Tim Peake becomes first Briton to walk in space

A historic milestone in British space exploration was shared by experts and guests at The University of Manchester's Jodrell Bank as part of a planned special BBC broadcast.

Tim Peake carried out the first ever spacewalk by a British astronaut on Friday 16 January 2016 to venture outside the International Space Station to replace a failed voltage regulator.

Outstanding Alumni Awards

Outstanding Alumni Awards are presented to former students who have achieved particular distinction in their field, or who have demonstrated exemplary service to the University or wider community.

Karen O'Neill *BNurs (Hons) Nursing 2003; MA Humanitarianism and Conflict Response 2012*

Karen O'Neill is a senior nurse experienced in emergency care and humanitarian aid.

She graduated from the University of Manchester with a Bachelor of Nursing (Hons) in 2003. Since then, her time has been split between emergency-department nursing across Greater Manchester and humanitarian aid and disaster response overseas.

In 2009, Karen began an eight-month spell working as a volunteer nurse at a hospital in Gulu, Uganda. Later, she returned to the hospital to deliver teaching on acute illness management and nursing skills. More recently, she travelled to the country's south-west with the charity Medcare, who run a paediatric healthcare centre and programmes to support children with chronic illnesses.

As a member of the UK International Emergency Trauma Register (UKIETR), Karen was deployed to the Philippines with Save the Children in late 2013 after typhoon Haiyan devastated much of the country. With help from the British Navy, her team spent two weeks visiting remote islands and attending to the emergency medical needs of the local population. Her role with the UKIETR has also seen her participate in training in Mumbai's inner-city slums.

Karen's more recent experience includes working for the non-governmental organisation UK-Med as a medical adviser on the National Ebola Response Programme. Her role with UK-Med evolved, and she later led the training of UK clinicians in Malawi. She also helped with the provision and training of on-call emergency medical teams to respond to global humanitarian disasters.

In 2012, Karen completed a masters degree in humanitarianism and conflict response at The University of Manchester.

Gareth Owen OBE *BEng (Hons) Civil Engineering 1990*

Gareth Owen has spent a quarter of a century working in humanitarian aid. From Somalia and Angola through to Uganda, Kosovo, Pakistan and Syria, he has witnessed the world's most testing and devastating crisis environments. But it was in Manchester where Gareth built the foundations of what has proven to be an inspirational career.

He graduated in 1990 with a BEng in Civil Engineering before moving south to secure an MSc in Irrigation Engineering from the University of Southampton.

After joining Concern Worldwide, Gareth was quickly exposed to the realities of humanitarian work. Roles in logistics and security management took him to conflict areas in Somalia and Angola, followed by a switch to Nepal and a stint as water engineer with VSO.

As his knowledge grew, so too did the size of his challenges. He was appointed country director in Uganda and head of mission in Kosovo during a spell with Action Contre la Faim. In 2001, he ran Oxfam's response to the Gujarat earthquake in India. The following year, he joined Save the Children UK – and in April 2007 he was appointed as the charity's humanitarian director.

As a senior humanitarian practitioner, he has led operational responses to every major emergency over the last 15 years – including the Iraq conflict (2003), Asian tsunami (2004), and East Africa drought (2011). He is co-founder of the Humanitarian Leadership Academy, the START Network and ELRHA, and now leads a department of more than 200 staff.

Gareth was awarded an OBE in 2013 for services to emergency crisis response abroad.

Outstanding Academic Achievement Awards

The University of Manchester Award for *Outstanding Academic Achievement* is awarded to the top students in each graduating year based solely on academic performance and consists of a certificate presented at graduation and a cheque for £1,000.

The prestigious award reflects the exceptional performance of the individual graduates during their time at The University of Manchester.

Degree Congregations 2016

“When the rain falls they talk of Manchester
but when the triumphant rain falls
we think of rainbows.
It’s the Mancunian way.”

Lemn Sissay

Monday, 12 December 2016

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate

Members of the Teaching and Administrative Staff

Wardens of Halls of Residence

Stewards

The Presenters

The Mace Bearer

The Presiding Officer

The Registrar and Secretary

10am Degree ceremony

Professor Richard Reece will Preside

Mrs Emma Carter-Brown will act as Registrar and Secretary

Professor David Hulme will address the ceremony

Professor Tom Jefferies and Professor David Hulme will present graduands from the School of Environment, Education and Development

Organist Philip Lowe LTCL, RMN, FBS

Mace Bearer Mike Gordon

12.15pm Degree ceremony

Mr Lemn Sissay will Preside

Mr James Walker will act as Registrar and Secretary

Professor Tim Allott will address the ceremony

Professor Tim Jacoby, Professor Jamie Woodward and Mr Richard Kingston will present graduands from the School of Environment, Education and Development

Organist Philip Lowe LTCL, RMN, FBS

Mace Bearer Dean Kelly

2.30pm Degree ceremony

Professor James Thompson will Preside

Mrs Rosie Williams will act as Registrar and Secretary

Professor Neil Humphrey will address the ceremony

Doctor Steve Courtney, Doctor Ruth McGinty and Mrs Louisa Dawes will present graduands from the School of Environment, Education and Development

Organist Philip O'Connor

Mace Bearer Pat Shiels

4.45pm Degree ceremony

Professor Nalin Thakker will Preside

Mr Will Spinks Registrar and Secretary and Chief Operating Officer

Professor Olwen McNamara will address the ceremony

Doctor Zeynep Onat-Stelma, Mrs Elizabeth Birchall, Ms Rebecca Phillips and Doctor Andy Howes will present graduands from the School of Environment, Education and Development

Organist Philip O'Connor

Mace Bearer Alan Jones

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate

Members of the Teaching and Administrative Staff

Wardens of Halls of Residence

Stewards

The Presenters

The Mace Bearer

The Presiding Officer

The Registrar and Secretary

10am Degree ceremony

Professor Luke Georghiou
will Preside

Doctor Kate Dixon
will act as Registrar and Secretary

Professor Peter Stansby
will address the ceremony

Professor Andy Gibson
will present graduands from the
School of Mechanical, Aerospace
and Civil Engineering

Organist **James Hume**
MusM, PhD

Mace Bearer **Dean Kelly**

12.15pm Degree ceremony

Professor Nancy Rothwell
will Preside

Doctor Kate Dixon
will act as Registrar and Secretary

Professor Peter Stansby
will address the ceremony

Professor Andy Gibson
will present graduands from the
School of Mechanical, Aerospace
and Civil Engineering

Professor Kevin Taylor
will present graduands from
the School of Earth and
Environmental Sciences

Organist **James Hume**
MusM, PhD

Mace Bearer **Alan Jones**

2.30pm Degree ceremony

Professor Richard Reece
will Preside

Mr Darren Huyton
will act as Registrar and Secretary

Professor Chris Hardacre
will address the ceremony and
present graduands from School of
Chemical Engineering and
Analytical Science

Professor Simon Rowland
will address the ceremony and
present graduands from the School
of Electrical and Electronic
Engineering

Organist **Philip O'Connor**

Mace Bearer **Marian Bailey**

4.45pm Degree ceremony

Professor Clive Agnew
will Preside

Mrs Sarah Mullholland
will act as Registrar and Secretary

Professor Peter Duck
will address the ceremony

Professor Peter Duck
will present graduands from the
School of Mathematics

Professor Ulrike Sattler
will present graduands from the
School of Computer Science

Professor Richard Winpenny
will present graduands from the
School of Chemistry

Professor Steve Watts
will present graduands from the
School of Physics and Astronomy

Organist **Philip O'Connor**

Mace Bearer **John Green**

10am Ceremony

School of Mechanical, Aerospace and Civil Engineering

Master of Science

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate

Members of the Teaching and Administrative Staff

Wardens of Halls of Residence

Stewards

The Presenters

The Mace Bearer

The Presiding Officer

The Registrar and Secretary

10am Degree ceremony

Professor Chris Taylor
will Preside

Mr Paul Smith
will act as Registrar and Secretary

Professor Chris Orme
will address the ceremony

Professor Stuart Shields
will present graduands from
the School of Social Sciences

Organist James Garratt
MA, PhD, ARCM, FHEA

Mace Bearer Winnie Mongan

12.15pm Degree ceremony

Professor Colin Bailey
will Preside

Mrs Catherine Brazendale
will act as Registrar and Secretary

Professor Bill Sampson
will address the ceremony and
present graduands from the School
of Materials

Organist Philip O'Connor

Mace Bearer George Iwaszkiewi

2.30pm Degree ceremony

Professor Kersti Borjars
will Preside

Mrs Emma Rose
will act as Registrar and Secretary

Professor Toby Seddon
will address the ceremony and
present graduands from the School
of Law

Professor Alessandro Schiesaro
will address the ceremony

Doctor David Brown
will present graduands from
the School of Arts, Languages
and Cultures

Organist Philip Lowe
LTCL, RMN, FBS

Mace Bearer Pat Shiels

4.45pm Degree ceremony

Professor Martin Schroder
will Preside

Mr Lee Felvus
will act as Registrar and Secretary

Professor Bertrand Taithe
will present Gareth Owen OBE for
the Outstanding Alumni Award

Gareth Owen OBE
will address the ceremony

Professor Alessandro Schiesaro
will address the ceremony

Doctor David Brown
will present graduands from the
School of Arts, Languages and
Culture

The Affirmation

For students at ceremonies on
Wednesday, 14 December

10am Dentistry

12:15pm Medicine

2:30pm and 4:45pm Nursing

Graduates to stand

"I affirm that I will:

- make the care of my patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice my patients' care;
- act quickly to protect my patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a dentist;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply:

"I so affirm".

Congratulations to the Class of 2016

You're now a member of our alumni community

At Manchester we're proud to have the largest global alumni community of any campus-based university in the UK, with many of the 330,000 graduates we are in contact with holding top positions in every imaginable field.

We're here to help you maintain a lifelong connection with us and with each other, share experiences and expertise and enjoy alumni-exclusive offers, events, networking and volunteering opportunities.

E-resources

Discounted or free access to e-resources through services including JSTOR will prove invaluable to you in terms of personal research and professional development. Visit your.manchester.ac.uk/services/e-resources to access a wide range of journals for further study and research.

Inspire the next generation

Your expertise and guidance can help inspire the next generation of graduates. Whether you mentor a student, come back to campus to talk about your career, or complete a survey about your experiences since graduation, you can help our current

students from wherever you are in the world. Visit your.manchester.ac.uk/get-involved/volunteer to find out how you can get involved.

Discounts

Your Manchester Extras gives University of Manchester graduates discounts on travel, magazine subscriptions and a range of other services on campus and beyond - including a huge 30% off all Manchester University Press books - at your.manchester.ac.uk/services/discounts

International

International alumni groups are a great way to keep building professional and social networks with fellow Manchester graduates in your region and keep in touch with The University of Manchester. Visit your.manchester.ac.uk/get-involved/global-networks to find your nearest alumni coordinator, and use <http://lnkd.in/egUFysq> to add your Manchester degree to your LinkedIn profile.

The start of your career

Over the coming years, you and today's other graduates will make those first steps towards shaping your own future, with endless possibilities to imagine and opportunities to explore.

You could be working in jobs that don't yet exist, mastering skills you don't know you're capable of, solving 'unsolvable' problems and developing products and services we don't yet know we need.

So how can we help you prepare for your future?

Find a Manchester Mentor online

As a recent graduate you can find a mentor online at network.manchester.ac.uk. There are over 1,000 alumni mentor profiles available for you to browse, allowing you to connect with fellow Manchester alumni who can offer you advice in the early stages of your career.

We're here to help

The first thing you need to know is that we're with you every step of the way. As a University of Manchester graduate, for the next two years, you have full access to

the resources and expertise of the Careers Service. That means you have access to a wealth of information, advice, and one-to-one support with experienced professionals.

You also have personal access to thousands of job vacancies, training schemes, volunteering opportunities and graduate internships - all of which you can access via the Careers Service's website: www.manchester.ac.uk/careers/services

Help us help you

In the next few months we'll be contacting you to find what you have gone on to do after leaving University and whether we can be of further assistance. You'll be invited to complete a survey (the Destination of Leavers from Higher Education Survey) that will help us find out more about what our students do in the first few months after leaving University.

www.your.manchester.ac.uk
www.manchester.ac.uk/careers

There has never been a more exciting time to graduate from The University of Manchester. Here's our five point checklist:

1

Build connections

It's a connected world, and contacts - who you know and who knows you - are the currency of the 21st century. Manchester is the UK's top LinkedIn University, with nearly 200,000 alumni ready to connect with you. If you haven't got a LinkedIn profile, what are you waiting for?

2

Explore

Even if you're about to enter a job or career that you've planned for, over the coming years, don't stop exploring opportunities, keep exploring your options, checking out new leads, asking yourself, "Am I where I want to be, doing what I really want to do?" As the saying goes, do a job you love and you'll never have to work a day in your life.

3

Experience

In all jobs, work experience is crucial - volunteer (carefully) for new projects, take on additional responsibilities, try out new roles. Experience allows you to find out more about new opportunities and, best of all, discover new things about yourself.

4

Communicate

Let people know about what you're doing and what you've achieved. Take every opportunity to practice your presentation skills.

5

Bounce back

When it comes to jobs, everyone has setbacks - without them, how else would you enjoy success? Don't take it personally. What matters isn't what's gone wrong but how you respond to it. Never give up!

#UoMGraduation

Emergency evacuation procedure for Whitworth Hall

During the course of this event no alarm test or an emergency evacuation practice has been planned.

Therefore, if the alarm, which sounds intermittently is activated it should be treated as a potential incident requiring evacuation.

Graduands and Guests are asked to remain calm and seated and follow the instructions given by stewarding staff.

The Assembly point is on the front quadrangle which is adjacent to the Whitworth Hall in front of the John Owens Building.
