The University of Manchester

South Asian Student Experience and Awarding Gap Research Project

COMPLETE OUR SURVEY!

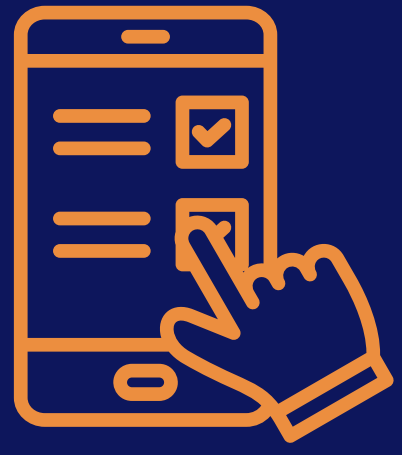
Institutional research highlights that South Asian students are less likely to be awarded a First or 2:1 degree compared to their White peers.

We want to hear from you!

We have created a short survey to gather the experiences of undergraduate students of South Asian heritage at UoM, including your views on student services and your area of study.

How can I take part?

- It takes just 10-15 minutes
- Complete it and you'll be entered into a prize draw and get the chance to win a £50 voucher
- Your answers are confidential and won't affect your relationship with the University



Don't miss the chance to make your voice heard!
