Student Support

University is a unique period in life when you can access a wealth of free, dedicated mental health and wider wellbeing support.

At the University of Manchester, we offer a wide range of student support services ranging from health and wellbeing, to academic and financial support, in addition to many others.

- **PASS** – (Peer Assisted Study Sessions) lead by student volunteers studying the same subject.
- **DASS** – (Disability Advisory and Support Service) supports a variety of different needs to help you succeed in your studies and to make the most of your university experience.
- **Student Services** – to help with the practical and administrative matters of university life.
- **Student Support Hub** – dedicated School of Engineering student support.

And many more…

Discord

Look out for an email inviting you to our Faculty of Science and Engineering Discord server later this month. Here you will be able to:

- Connect with fellow offer holders in your dedicated subject channel
- Hear from current students in your Department in our students' takeovers
- Ask any questions you have about studying or life at Manchester

Good luck and we hope to see you in Manchester this September!
