SEED Student Voice COMMITTEE SUMMARY

SEED

DEPP Student-Staff Meeting

4 November 2026

💬 Key takeaways

Heavy timetables and unsuitable computer rooms affect learning.

Students need more quantitative and essay-writing support.

Conflicting timetable and induction information causes confusion.

Concerns include SEAtS attendance, January deadlines and prayer space.

✅ Agreed actions

Programme teams: review timetable clashes and improve Welcome Week.

Yin-Fang: check online timetables. Katsushi: raise room and support concerns.

Staff: promote support and clarify January submission windows.

Reps: share PPM slides and raise prayer-space concerns.

👍 You said, we did

SEAtS failed: email your lecturer for a manual attendance correction.

Quantitative help: three weekly drop-in surgeries. Email Salauddin with questions.
