2.1. Applicants and students with disabilities and additional support needs

If you have a disability or other additional support needs you are strongly encouraged to disclose this to the University on application or any time during the admission process so that the University may seek to support you throughout your studies. We have in place procedures to ensure that applications are considered appropriately and that applicants with disability or additional support needs will, where possible, be provided with appropriate support in connection with the application process and subsequent study. Further information is available in the University’s procedure for applicants who have a disability, which is available at: http://documents.manchester.ac.uk/display.aspx?DocID=11177 or you can contact us at dass@manchester.ac.uk

2.2. Applicants under the age of 18

The University has a policy applicable to applicants who will not have reached the age of 18 on 1st September at the year of their proposed entry. This is available at: http://documents.manchester.ac.uk/display.aspx?DocID=4388.

The University is committed to ensuring the health, safety and well-being of all students and will undertake a risk assessment in connection with applicants who fall within the policy, as part of the application process. If, following the risk assessment, the University determines that an offer may be made to the applicant, the terms of the offer will specify any particular requirements or restrictions applicable to their admission to the University. The policy also sets out the University’s rules relating to accommodation which apply to such applicants.

All applicants are required to disclose to the University as part of the application process (and on a continuing basis throughout their studies, to their academic school) any relevant unspent criminal convictions.

Applicants for certain courses (for example, teaching, health, social work, pharmacy and others where studies involve regulated activity with children and/or vulnerable adults) must declare all criminal convictions, including spent convictions and cautions and bind-over orders. Applicants for such courses will also be required to complete a criminal records check with the Disclosure and Barring Service and/or a similar police check in their home country. The course content pages on the University’s website (accessible at: www.manchester.ac.uk/undergraduate/courses and www.manchester.ac.uk/postgraduate) specify whether a criminal records check is required for each course. In addition, applicants will be advised of any relevant requirements.

Where this is necessary, the information published in relation to the Course will provide further information. To apply for a visa, international students must have a Confirmation of Acceptance for Studies (CAS) issued by the University. The CAS is a unique reference number which confirms that the University has agreed to be your Tier 4 sponsor and provides information about you, and your study, to UK Visas and Immigration (UKVI) as part of your visa application.

The University is legally obliged to comply with the requirements of UKVI and international students must ensure that their visa status is kept up-to-date and support the University in meeting its obligations to UKVI.

Further information in relation to visas for international students is available at: http://www.manchester.ac.uk/study/international/admissions/visa-guidance/
2.6. Courses which require an Academic Technology Approval Scheme (ATAS)

Individuals applying to study certain postgraduate and undergraduate science, engineering and technology subjects will need an Academic Technology Approval Scheme (ATAS) certificate in order to study in the UK. ATAS is a requirement for all international students undertaking studies or research for more than six months, regardless of the visa category. If this requirement applies to your course, your academic school will inform you that you need to apply for an ATAS certificate when we make you an offer. If you will be applying for a Tier 4 visa, your CAS will also record that you need to obtain an ATAS certificate. Further information is available at: www.manchester.ac.uk/study/international/admissions/visa-guidance/atas.
