### Regulations:

- All Level 3 HSoc students must take a 40-credit HIST or SOCY BA Dissertation (students can only take one dissertation module)
- All Level 3 HSoc students must choose 80 additional credits of taught course units (Lists B-D), of which a minimum of 20 credits must be HIST-coded.

### After following Steps 1 to 4 below, all Level 3 HSoc students must have:

- Total selection of exactly 120 credits
- **Students may take no more than 70 credits in any one semester** (including 20 credits per semester for the 40-credit dissertation).
- Course units which do not clash – **check the timetable**
- Select no more than 20 credits of University Language Centre modules

### Note on Allocation of Credits Across Semesters and HIST30970:

- **Students may take no more than 70 credits in any one semester** (including 20 credits per semester for the 40-credit dissertation). Students would be advised not to exceed 60 credits (including 20 for the dissertation) in semester 2.
- Students must plan their dissertation research schedule appropriately, and in consultation from welcome week onwards with their appointed dissertation supervisor.
- The semester in which a course is taught is identified by the last digit in the code (eg HIST30101 = Sem. 1). A 0 (zero) final digit, e.g. HIST30970, indicates that the course is taught across both semesters and the total credit weighting for the unit is to be divided equally between semesters.

### Note on School of Social Sciences Course Selection and SOCY-coded Course Units:

- HSoc students must complete the School of Social Sciences (SoSS) Course Selection Process to register for all SoSS course units, including POLI-, SOCY- and ECON-coded course units

Please note that swapping or dropping full-year optional modules is prohibited after week 2 of semester 1.
