- Selected no more than 70 credits of course units in each semester

Note on Credit Allocation Across Semesters:

- The semester in which a course unit is taught is identified by the last digit in the course code (e.g. HIST1010**1** = semester 1). A 0 (zero) final digit indicates the course unit is taught across both semesters
- When calculating your credit allocation by semester, the credits for 0 (zero) coded courses should be divided equally between semester 1 and semester 2

Please note that swapping or dropping full-year optional modules is prohibited after week 2 of semester 1. ***Availability of modules will depend upon the timetabling of your History in Practice seminar group.
