3: Choosing a Minor

As a single honours student on this programme you have the option to study a minor in either Egyptology or Digital Humanities. Taking a minor allows you to explore the subject area, whilst still allowing you to complete your single honours degree. At the end of the first year, you can choose to continue with the minor in years two and three, and have the subject feature in your degree title if you wish. Alternatively, if you decide to drop the minor, you can still make use of free choice credits in years two and three.

Enrol to the following units for the Egyptology minor:

CAHE10651 Introduction to the History and Culture of Pharaonic Egypt

CAHE20162 Introduction to Egyptian Hieroglyphs

Enrol to the following units for the Digital Humanities minor:

Tell us you are following a minor by emailing us at: salc.programmes@manchester.ac.uk

Please note that the minor is subject to availability and timetabling constraints. If you do not want to commit to taking the minor, you can still enrol to an option within the subject area as a free choice unit

Alternatively, after discussion with the CAHE Programme Director, you may choose up to 40 credits of Free Choice units from more than one subject. Please see below for details.

A maximum of 20 credits can be taken at one level below your current level of study.
