

BA (Economic & Social Studies)
Programme Structure
2021/22

The following course units are offered within this structure are subject to availability, timetabling constraints and, in certain cases, limits on the number of students accepted.

Course units available in the first semester are designated by the suffix digit '1', those in the second semester by the digit '2' and those covering both semesters by the digit '0'. Any pre-requisite is indicated by the letter 'P' and any co-requisite by the letter 'C'. Dependencies are higher level modules that require that module as a pre-requisite.

A course unit with a quota is indicated by the letter '(Q)' next to the course unit title; students should register directly on the self service website on a first come, first served basis at the end of August (date to be confirmed). Course units with an asterisk '*' cannot be taken in the final year of study.

Honours candidates are required to complete course units totalling 120 credits, including at least 50 credits, and not more than 70 credits in any one semester.
