**About your Holiday**

One of the most popular destinations for beach lovers in Thailand, Phuket has been dubbed the Pearl of the South. Thailand's largest island has translucent seas, white sandy beaches, a pulsing nightlife and an array of accommodation, from beach bungalows to luxury resorts. Phuket's picturesque hilly inland is home to lush pineapple and rubber plantations and several Buddhist temples. During your time in Phuket you simply have to take a trip to Pang Nga Bay (James Bond Island). You will board the June Bahtra a traditional Chinese junk and enjoy the serene cruise and marvel at the iconic limestone formations. If you fancy something different why not head to the Khao Sok National Park, a haven of incredible natural beauty.
