SOST10062	Introductory Statistics for Economists	10	Co: ECON10061
ECON10071	Advanced Mathematics	10	P: A Level Mathematics *
ECON10072	Advanced Statistics	10	C: ECON10071

You must balance your politics and philosophy choices so that you have NO MORE THAN 70 CREDITS AND NO LESS THAN 50 CREDITS IN EACH SEMESTER of the course.

* Or equivalent qualification

** Economics and Mathematics courses are pre-determined by the standard reached prior to coming to the University of Manchester. Students must pass these courses WITH A MINIMUM MARK OF 40% in order to progress into the Second Year of the PPE Degree.

*** Students must pass this course WITH A MINIMUM MARK OF 40% in order to progress into the Second Year of the PPE Degree.

**** Students must pass at least 20 credits of Philosophy units WITH A MINIMUM OF 40% in order to progress into the Second Year of the PPE Degree.

Most PPE students will take the Microeconomics 1 and Macroeconomics 1 sequence. However, if they wish to take the more Mathematics focused Microeconomic Analysis and Macroeconomic Analysis sequence, they must gain approval from a member of staff in Economics.

Second Year

All candidates must take a Second Examination in courses totalling 120 credits as follows:

In the second year, students will normally take 40 credits in politics, philosophy and economics discipline areas.

As an option, students may take 10 or 20 credits with the University College for Interdisciplinary Learning (UCIL) as a free choice.

Students may not take more than 40 credits in any one discipline.

In the second year, students must take 40 credits in a discipline as a prerequisite to studying for a dissertation in the same discipline in the final year.

CODE	TITLE	CREDITS	PRE/CO-REQUISITES
20 credits of CORE Economics from:
