

## Shopping cards

As well as online offers, Perkz has a great range of **discounted, reloadable shopping cards** that can be used instore (and in many cases online).

You also can order the cards over the phone, by calling **01709 303 107** and quoting **PERKZ**.

## Frequently asked questions

Got a question? Below are answers to some we're asked pretty often:

### Are the discounts online or instore?

We feature over 200 offers on Perkz, the majority of which are online. We also feature shopping cards and vouchers for instore use. How to claim the discount is always clearly explained on each offer.

### Can my family use Perkz?

We are happy for your immediate family members (people within your household) to use the service.

### Where can I access Perkz?

Once registered, you can access Perkz from work, home or anywhere with internet connection.

### Is it secure?

Yes. All Perkz retailers use industry-standard Sockets Layer, or SSL, technology to encrypt your personal information.

### What about returns?

Thanks to the Distance Selling Regulations, you are legally entitled to get your money back if you return goods within 14 working days of receipt.

Our retailers generally go beyond this minimum and some also offer a free returns service. Check the retailers' websites for their specific policy.

### Contact Perkz:

If you've still got questions please do get in touch. We have an FAQs page on the website with lots more questions answered, or you can email:

**help@perkz.com**

your company code is **UNIMAN**

## Introduction

Perkz is an online employee benefits scheme that works with UK retailers to provide you with over 200 online and instore offers.

As well as saving you money, Perkz saves you time. Our **Special Occasion Service** (SOS) reminds you of important dates (e.g. birthdays) via email and provides suitable gift ideas.

We are always getting great new offers on the site. If you want to be kept up to date why not follow us on Twitter? [@perkz\\_eb](#)

We are also happy for other members of your immediate family to use the scheme as well.

We also run great competitions, and have lots of prizes exclusively for University of Manchester employees!

If there are any products or services not currently featured that you would like to see, please email the Perkz team: [feedback@perkz.com](mailto:feedback@perkz.com)

Save between 5% -56% at the following:

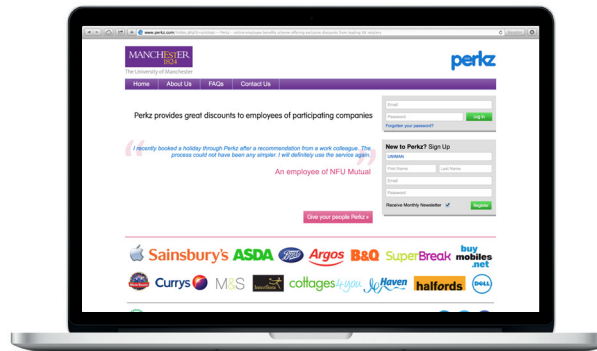

## How to access Perkz
