about this guide

We don't want to weigh you down with bulky information, so this pocket guide gives you a list of the subject areas we offer and the essential entry requirements for every course.

It also introduces you to our University and tells you how to find out more about what it's like to be a student here.

If you'd like a copy of our full 2016 undergraduate prospectus, you can order or download one at:

Why Manchester?

1

We're the **most targeted university by the UK's top 100 graduate employers.**

2

As one of the UK's top research institutions, we feed our research directly into undergraduate courses – so you'll **graduate with cutting-edge knowledge in your field.**

3

We have the **UK's largest student community, and welcome ambition and talent from everywhere** – including the highest number of international students in the UK, and students from diverse socio-economic backgrounds.

5

We attract world-leading minds – **25 Nobel laureates** have worked or studied here, including three on our current staff.

4

We're right at the heart of **Britain's most popular student city.**

6

You could join the **UK's biggest students' union**, offering an unrivalled range of exciting social and extra-curricular opportunities.

8

We're unique in the UK for having social responsibility as a core goal – and we invite you to share our world-changing ambitions, with **courses and activities that help you develop as a socially responsible, global citizen.**

7

We partner with industry and education leaders to offer you diverse **practical experiences to supplement your academic learning** and make you even more employable.

9

We're investing **£1.75 billion in cutting-edge campus facilities.**

10

We're **part of the prestigious Russell Group**: 24 leading UK universities committed to the highest international levels of academic excellence in teaching and research.

The Manche degree

Employers love the Manchester degree. That's why we're **the most targeted university by the UK's top 100 graduate employers.**

We'll give you **expert tuition**, outstanding learning facilities, and course content fed by **world-leading research** and employer input, with an emphasis on critical thinking and skills development.

You can also choose to take one of the following exciting options designed to enhance your learning experience and make you stand out from the crowd:

- **Study abroad** – Spend up to a year gaining life experience in a new culture while studying or working in another country.
- **Industrial experience** – Spend up to a year gaining invaluable skills and real-world experience, and perhaps get a foot in the door to start your career.
- **Interdisciplinary study** – Sample cutting-edge topics outside of your standard course, broaden your horizons and perhaps gain a prestigious award.

Getting involved

Any university experience offers you more than a degree – but **at Manchester we've got the people, resources, connections and location to offer you much more.**

Get involved in extra-curricular activities from day one and you'll not only enjoy a richer student life, but also reap future rewards with a CV that showcases a wide range of experiences, skills and strengths valued by graduate employers.

- **Get active** – 42 sports clubs, 357 campus league teams, 80+ fitness classes, 40+ student sports societies and 4 major University sports centres.

www.manchester.ac.uk/sport

- **Make a difference** – Volunteer with a student society as part of your degree through our sports volunteer scheme, or by helping fellow students.

www.manchester.ac.uk/volunteers

- **Get sociable** – 460+ student societies, part-time jobs, student media, politics, support, fundraising and more at the UK's biggest students' union.

City

Meet Manchester: **Britain's most popular student city.**

Reaching into the heart of the city of Manchester, our **friendly, self-contained campus** brings together a multicultural community of around 40,000 students from 154 countries. Here you can study, relax and immerse yourself in university life.

Manchester is packed with **art** and culture. Its **revolutionary** history changed the world. It's a multicultural medley of **gastronomic delights**. Its heart pulsates to a wide range of **musical beats**.

It's home to **world-famous football clubs**, plus rugby, cricket, cycling, swimming, skiing, squash and more. Its **excellent transport links** make it one of the UK's most accessible cities.

It's full of **fun, fashion**, and serious **business and enterprise**. It's independent, creative, energetic and ambitious, with an impressive array of **festivals and events**.

And it's right on our doorstep.

Accommo

dation

For most of you, Manchester won't just be your next stage of education; it will be your new home for the next few years. **We guarantee you a place in University accommodation in your first year** if you're coming to Manchester alone.

You'll find something for everyone, from bustling student suburb Fallowfield to leafy Victoria Park, including catered and self-catered, traditional and modern halls of residence and modern flats. All offer you a **secure living environment, communal atmosphere** and **onsite support** from our pastoral teams – just minutes from campus.

If you don't want to live in halls, we can point you towards **the best privately rented student accommodation** in Manchester. And if you choose to live at home, there are still plenty of opportunities to **get involved with student life**.

www.manchester.ac.uk/accommodation

Your course

We have **more than 400 courses** to choose from – and, on many, we offer multidisciplinary options so you can **tailor your degree to your interests** and broaden your knowledge.
