News Grid

- Use this grid when watching or listening to the news.
- You may wish to create your own grid using the same headings to give yourself more writing space.
- Complete in the target language.

	*Type	Who	Where	When	What	Why	How	Comments
1								
2								
3								
4								
5								

*Type = politics, economics, social issues, war, international, sport, etc.

Complete columns vertically:
1. Watch all the headlines together, scanning only for **Type** and **Who**
2. Stop, re-watch, and do the same for the next two columns, until all columns completed
