“Towards a New Historical Condition”

Public lecture

18 February, 10 AM-12 P.M.

4.3 Roscoe Building

Postgraduate Seminar

Might recent and unfolding transformations within the horizon of our historical experiences point towards a new historical condition, a condition on which history as a discipline would have yet to secure a firm grasp? Let us understand historical experience as the various ways in which people, on the horizon of their historically constituted social worlds go about imagining, mediating, and representing to themselves the past and its meaning for the present.
