### Manchester Pride Meeting and Photocall

Don't forget the meeting on Tuesday 30<sup>th</sup> June from 5pm in the Student's Union. Suggestions included looking at how famous academics have been devoted to their research; how the university is devoted to its staff and students; how people devote themselves to their different jobs at the university – so lots to go on!

Please don't forget to RSVP to [lgbt@manchester.ac.uk](mailto:lgbt@manchester.ac.uk) if you are able to attend and assist with the planning of our entry. The 'construction evening' date has also been set for Thursday 20<sup>th</sup> August.

**REMINDER** - The annual Pride photocall (attended by Nancy and members of the Senior Leadership Team) will be on **Tuesday 28 July at 12.30** – we also have 22 other participants (non group members) confirmed so far.

### Pride Fringe Events

We will be hosting a debate chaired by Stonewall which will form part of the Manchester Pride Big Weekend. The debate will feature speakers from Manchester Pride, George House Trust, LGBT Foundation (formerly LGF) and Albert Kennedy Trust. The working title is 'Pride and Manchester' (final title to be decided) and all are welcome so put this in your diary!

The event will be held at Renold Building on Sunday 30 August 2pm – 3pm with refreshments from 1.30pm. Make a note in your diaries and more information will be coming soon! Watch this space.

There will be an additional event after Pride – an exhibition by Conor Collins – it will focus on tweets made over the Big Weekend – so once we have a '#' We will circulate it so you can all contribute.

## Research

See message below from Wiley Exchanges

### Using research to drive social change on LGBTQ issues

As researchers, 'impact' is a driving factor behind many funding priorities in the academic world. And by 'impact' we often mean citations. But what about real impact? How can researchers in fields such as History, Business, Psychology, Education and Philosophy influence social change on a global level? This month we're bringing research to bear on...

## LGBTY – Sydney Street Cafe

ALLOUT has lots of upcoming plans and projects with our community partner LGBTY (<http://www.lgbtcentremcr.co.uk>) in the meantime why not take a look at their website, see what they're involved in and pop along to the café for a delicious lunch (with great cake too!)

## Stonewall Banner Tour

We would like to repeat last year's successful tour of the Stonewall pull up banner which promotes the University as a Diversity Champion. If you are able to arrange for the banner to be displayed in your buildings main reception or as part of an event for a few weeks over summer and into Autumn then please email [Daniel.Taylor@Manchester.ac.uk](mailto:Daniel.Taylor@Manchester.ac.uk)

## Manchester Pride

Things are really moving now for Manchester Pride. Did you see the article on StaffNet? If not, here is a link: <http://www.staffnet.manchester.ac.uk/news/display/?id=14918>

**Everyone** is welcome to be part of our entry – staff, students, friends and family, - so please share the details! We just need to know numbers ASAP. We're approaching the 100 mark – so please participate to make this our biggest entry yet!

We've created a [Doodle Poll here](#) so you can select your **FREE** T shirt size(s) and confirm your participation in the parade.

To guarantee your T-shirt size you need to complete the poll **TODAY** (we extended the deadline!) – any information received after this date cannot guarantee your preferred size.

More information can be found here: [www.pride.manchester.ac.uk](http://www.pride.manchester.ac.uk)

And don't forget to use #DevotedtoUoM in any associated tweets

## Stonewall & Questionnaire

Everyone should have received an invite to participate in the annual Stonewall questionnaire. Please take the time to do this – it takes five minutes and helps us score highly in the relevant part of the Stonewall Questionnaire – plus the more people we have – the more accurate are the results and associated data. Here's a reminder of the link and pin you need:

## Member Profile Appeal

Do we have any BME (Black Minority Ethnic) staff here who would happily be profiled on our page:

<http://www.staffnet.manchester.ac.uk/services/equality-and-diversity/staff-network-groups/lgbt-staff-network-group/alloutmemberprofiles/>

We want to show our group as being all inclusive and representative of those with multiple identities.

Please mail me directly at [paul.marks-jones@manchester.ac.uk](mailto:paul.marks-jones@manchester.ac.uk) if you are happy to be featured.

## PWC/Careers Event

PWC recently hosted an event with the careers service about being LGBT and working in Private industry. We can organise a similar event in February as part of LGBT History Month but from a HEI perspective – would there be anyone willing to assist with this? It will be discussed as an agenda item at the next meeting.

## Bisexuality Visibility Day

Even though we're tied up with Pride at the moment we still have to look forward to Bisexuality Visibility Day on September 23<sup>rd</sup>. We already have a quiz planned which will feature on StaffNet and we'll be flying the bi flag around campus.

Other ways we can help is to sign up for this 'Thunderclap': <http://www.bivisibilityday.com/tweet/>

ALLOUT! The Universities LGBT Staff Network Group sponsored Sparkle In The Park, the centre point of Sparkle Weekend as this year was the biggest yet with over 10,000 people attending. The weekend featured a range of acts including Kellie Malone, Kim Marsh, Rowetta and a host of entertainers performing on stage.

The Manchester Museum also took part in Sparkle Fringe with a tour of the Museum and behind the scenes access conducted by Stephen Welsh. The event "And the Rest is Drag" was a sold out event which received great feedback, with attendees coming from as far as America to attend.

### **Next Meeting**

## Manchester Pride

**URGENT! \*\*DRIVER APPEAL\*\*** - We need a driver for our vehicle! It's a 7.5T flatbed truck (like the one we had in 2012 for Alan Turing) and anyone with a license issued before Jan 1997 can drive this type of vehicle – I did it in 2012 and it was perfectly fine. It just means collecting and dropping off – but taxi fares will be covered if needed- please let me know if you can do this: [paul.marks-jones@manchester.ac.uk](mailto:paul.marks-jones@manchester.ac.uk)

So the poll has closed and we have an AMAZING 125 people who will make up our parade on Saturday 29 August! Everyone who registered has been contacted and next week we'll send out the Pride Briefing document. So – even if you're not on the parade – do come along and cheer your colleagues & friends.

In the meantime here's a sneak peek at our decoration:
