Major Changes - Externally

Major Changes - Externally

Major Challenge - Internally

“We must be an innovative University that is adaptable, nimble and able to make hard choices in order to ensure we are well placed for what the future will bring”.

Professor Dame Nancy Rothwell – Manchester 2020

Challenges Ahead in PSS

- Contributing towards delivery of University Strategy
- Delivering new ways of doing this
- Acting on benchmarking data
- Increasing simplification and standardisation

2016-17 University Priorities

The key University-wide operational priorities identified for 2016/17 are:

- To accelerate progress towards our research targets through implementation of the refreshed research strategy
- To improve key areas of teaching performance
- To deliver a focused, distinctive and effective social responsibility programme
- To create the financial headroom to invest in our future ambitions, through identifying sources of additional funding, efficiencies and areas for strategic investment
- To increase efficiency and effectiveness in University processes and procedures through simplification and standardisation

2016-17 PSS Priorities

The key PSS operational priorities identified for 2016/17 are:

- To support the University's strategy for the development of the quality of its researchers and research outputs
- To improve standing in the UK league tables and prepare for the Teaching Excellence Framework
- To equip our graduates to exercise important ethical, social and environmental responsibilities
- To deliver cost savings across Faculty and PSS activities
- To deliver real improvement in key University business processes

Summary

- **Stay focussed** in the face of external uncertainty
- **Deliver** our contribution to strategic objectives
- **Simplify and standardise** processes to increase efficiency and effectiveness
- **Work together** as a single team
