

The Haunted Castle Returns!

(22nd October to 31st October)

With wondrous witches, Horrible Histories and the return of the spectacular Fire Joust, Warwick Castle is the place to be spooked this Halloween!

From 22nd October to 31st October The Haunted Castle promises fearful levels of fun for all ages during the day and then, after dark, the fright factor is cranked high as the Castle remains open until 9pm.

Terrifying Scares

NEW for 2016! Tormented

One by one all of the inhabitants of Warwick Castle were killed by a malevolent spirit. All but one. She now leads a solitary existence surrounded only by those she believes will care for her, but not all is as it seems. Her fate is far worse than death, her fate is to live out the rest of her life as the Tormented!

Open from 12pm
