

# Faculty of Biology, Medicine and Health

High level organisational structures and senior management teams

*01 October 2016*

# FBMH academic structure

EDUCATION & TRAINING ACADEMY

DOCTORAL ACADEMY

SCHOOL OF BIOLOGICAL SCIENCES

SCHOOL OF MEDICAL SCIENCES

SCHOOL OF HEALTH SCIENCES

## STRATEGIC RESEARCH DOMAINS

- Cancer
- Cardiovascular, Metabolic & Nutritional Sciences
- Cellular & Developmental Systems
- Evolution, Systems & Genomics
- Infection, Immunity, Inflammation & Repair
- Neuroscience & Mental Health
- Platform Sciences & Technologies
- Population Health & Ecosystems

Division of  
Cell Matrix Biology  
& Regenerative Medicine

Division of  
Evolution & Genomic Sciences

Division of  
Infection, Immunity  
& Respiratory Medicine

Division of  
Molecular & Cellular Function

Division of  
Musculoskeletal & Dermatological  
Sciences

Division of  
Neuroscience & Experimental  
Psychology

Division of  
Cardiovascular Sciences

Division of Dentistry

Division of  
Developmental Biology  
& Medicine

Division of  
Diabetes, Endocrinology  
& Gastroenterology

Division of Medical Education  
(including CHSTM)

Division of  
Molecular & Clinical Cancer  
Sciences

Division of  
Human Communication,  
Development & Hearing

Division of Informatics,  
Imaging & Data Sciences

Division of  
Nursing, Midwifery & Social Work

Division of  
Pharmacy & Optometry

Division of Population Health,  
Health Services Research  
& Primary Care

Division of  
Psychology & Mental Health
