Win food vouchers to Restaurants across Manchester

MANCHESTER
1824
The University of Manchester

Environmental Sustainability

& win prizes!

Win a free meal for you and your flatmates at one of Manchester's top restaurants, simply by recycling in halls.

How to win:

Step 1: Check what you are putting in the bin is right for that bin

Step 2: Take a picture of you or your flatmates recycling

Step 3: Upload your picture to Facebook, Twitter or Instagram using #UoMSust (don't forget to make it public on Facebook otherwise we can't see it!)

Winners will be selected each month and notified through social media.

@UoMSust fb.com/UoMSust @UoMSust

Blue recycling bag and bin for paper, newspapers, magazines, cardboard & drink cartons (no rubbish bags please)

Brown recycling bag and bin for glass bottles & jars, plastic bottles, cans, tins, aerosols & silver foil (no rubbish bags please)

Environment On Call 0161 254 9000

Recycle in halls and get free Manchester restaurant vouchers for doing so. Simply upload a picture of you or your flatmates doing your recycling onto our facebook or twitter page and be in with the chance to win food vouchers of great restaurants across Manchester. This month is for Trof- The Deaf Institute, our flagship vegetarian/ vegan restaurant on campus.

Tag or upload your pictures at www.facebook.com/UoMSust www.instagram.com/uomsust or www.twitter.com/uomsust

Last year, each student on average recycled **nearly 25kg** of waste **per person!**

And better still, when this individual recycling is added up to the whole halls of residence, it equates to **153 tonnes** of recycling! The weight of a Blue Whale!

This shows how individual actions accumulate to have a major beneficial impact on our environment. Do your part!

Blue Recycling Bag and bin for Paper, Newspapers, Magazines, Cardboard & Drink Cartons
(please no plastic bags).

Brown Recycling Bag and bin for Glass Bottles & jars, Plastic Bottles, Cans, Tins, Aerosols & Silver Foil (please no plastic bags).

Please do not contaminate the recycling bins with the wrong type of waste and do not put any plastic bags into recycling bins. Thank you.

How much would you be willing to pay for an energy bill?

Did you know the University spends £50 000 a day (yes a day) on electricity and gas usage. This is due to having a carbon footprint of a car driving for 283 million miles in one year, which is further than driving to the planet Venus and back.

This is money that could be better spent on refurbishing our Residential Estate and putting more funding towards improving our services and facilities to support and enhance student experience.

Don't be silly,

When you're feeling chilly.

Put on a sweater,

And life will be better.

With the night's drawing in and the temperature getting cooler, this is when the University spends the most on energy use. Help us to reduce that cost by switching appliances off when not in use and dressing for the season. Even little things can make a big difference, if you have a thermostat on your heater, lower it by one degree, this can save up to 10% off heating costs, which is around £60 for the average family. If you can't and you feel your building is too hot- tell us and we can help make your temperature more comfortable. The University supplies heating from 6am-10am & 4pm-11pm each day.

MSH Takeover the Community Hub

Manchester Student Homes (MSH), the University run housing service, will be occupying the Community Hub at the Fallowfield Residence for 2 weeks starting on Monday 14th November.

There will be a range of information available on, but not limited to, the following topics:

- Tip on house hunting
- Private Halls
- Personal Safety
- Property Security
- Walking Tours in Manchester
- Safety for Cyclists
- Cycling maps of Oxford Road/Wilmslow Road corridor

Although it may not be the end of term just yet, it may be a good idea to start thinking about the things you have collected over the last 2 months and what you will do with them before heading off for the Christmas break. **Did you know** that up to 70% of rubbish can be recycled? Here's an easy way to give to charity and recycle at the same time! British Heart Foundation donation bags are available from the Community Hub. Once you have filled your bag they can be placed directly into the metal donation bins located across the residence.

Did you know that Manchester Student Homes also provides a FREE contract checking service? Bring your contract to get it check. Alternatively you can email it to manchesterstudenthomes@manchester.ac.uk.

The MSH takeover of the Community Hub will occur at the following times:

Time	Date
Monday 14th Nov	2pm-4.30pm
Tuesday 15th Nov	2pm-4pm
Wednesday 16th Nov	3pm-6pm
Friday 18th Nov	10am-12pm
Monday 21st Nov	2pm-4.30pm
Tuesday 22nd Nov	10am-12pm
Wednesday 23rd Nov	3pm-6pm
Thursday 24th Nov	2pm-4.30pm
Friday 25th Nov	10am-12pm

BIKE SECURITY ADVICE

How to use a 'D' lock and cable

Crime Reduction at The University of Manchester 😊

feeling positive
4 November at 11:42

SO HOW DO I SECURE MY BIKE WITH A 'D' LOCK & CABLE?
Check out the clip for some useful advice
