

Give the gift of knowledge

Donations to The University of Manchester help to ensure that talented students can continue their studies regardless of their financial situation, that researchers are able to continue tackling fundamental world issues, and that all who study at Manchester benefit from a distinctive and valuable experience. Your gift will help so many young people fulfil their potential and transform their futures.

"The University of Manchester is renowned worldwide for the quality of its graduates and I look forward to soon becoming one of them,

thanks to the support of alumni and friends like you who are helping me to achieve my dreams. On behalf of everyone at the University who benefits from donor support, thank you."

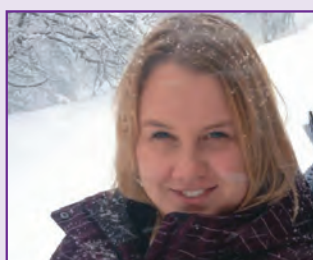

Haider Khokhar
(MEng Electronics Systems Engineering with Industrial Experience student and Undergraduate Access Scholarship recipient)

"As a researcher at Manchester, I feel that I have an important role to play in the fight against cancer. Knowing that I am supported by so many donors

gives me an immense sense of both pride and responsibility, ensuring I do the best job I can every day. Research like mine will impact so many lives, and it has only been possible thanks to donations from people like you."

Becky Williams
(PhD Developmental Biology student and Research Scholarship recipient)

"I donate because I feel it's up to us, as alumni or friends, to support the University and help others have the valuable education and experience that Manchester offers. It may only mean a small donation (or perhaps a large one too!), but anything is better than nothing at all."

Stephanie Sparkes
(BA Geography 2011 and scholarships supporter)

Gift Aid declaration

If you pay UK Income Tax or Capital Gains Tax, your gift could be worth 25% more, at no extra cost to you. Please read and sign this declaration.

Please treat as Gift Aid donations all qualifying gifts of money made today, in the past 4 years and in the future. I confirm I have paid or will pay an amount of Income Tax and/or Capital Gains Tax for each tax year that is at least equal to the amount of tax that all the charities or Community Amateur Sports Clubs (CASCs) that I donate to will reclaim on my gifts for that tax year. I understand that if I pay less Income Tax and/or Capital Gains Tax than the amount of Gift Aid claimed on all my donations in that tax year it is my responsibility to pay any difference. I understand that The University of Manchester will reclaim 25p of tax on every £1 that I give.
