🐦 @UoMSquashClub

Manchester is an International City of Squash in the UK and the University of Manchester are proud to link with England Squash and The Northern to grow the game at all levels across the city.

Our network offers many playing, volunteering and coaching opportunities to UoM students.

The Northern is the premier Squash club in the North West and is the home of The University Squash teams with student memberships available. The Northern teams participate in the Northwest Counties, one of the largest competitive Squash leagues in the world.

Manchester is also the home of the National Squash Centre, the host to world class tournaments including the 2017 World Championships.
