

The University of Manchester

DEGREE CONGREGATIONS

December 2017

in the Whitworth Hall

A portrait of Nancy Rothwell, a woman with short, light blonde hair, wearing a black and white striped blazer over a black top with a red belt. She is standing outdoors with a blurred green background.

“Use your head,
but follow your heart.”

Nancy Rothwell

Congratulations

from the President and Vice-Chancellor

I welcome you all – graduands, family members and friends – to The University of Manchester for this degree congregation.

This is a time of celebration and I hope you enjoy this special occasion.

For those of you graduating today, this is also a perfect time to reflect on your time here at Manchester, to think about your successes, achievements and the excitement of the next stage of your journey. As you are presented for conferment of your degree, the University shares with you a great sense of pride in the award you have worked so hard to attain.

I encourage you to take charge of your future, find your voice and form your own opinions. Have confidence in the knowledge and experience you have gained during your time here and, as you collect your degree, know you are ready to take on your next challenge and shape your own future.

These ceremonies mark not the end of your relationship with the University but the start of a new chapter. You are now part of a worldwide network and it is my hope that the links between you and the University will grow stronger as you become an active member of one of the largest global alumni communities.

I wish you every success for the future and hope that you have a truly memorable day.

Professor Dame Nancy Rothwell

Leading the way }

Throughout our history, Manchester has helped shape the world through discovery, knowledge and social responsibility. Our alumni and staff instil in our students and graduates a desire to improve people's lives through research, teaching and investing in the futures of others.

1851

John Owens

Manchester industrialist whose fortune established Owens College, the oldest part of what is now The University of Manchester

1908

Sir Ernest Rutherford OM FRS

Chemist and physics pioneer who split the atom and became the University's first Nobel Prize winner in 1908

1874

Edward Ryley Langworthy

Donor to the University - created the Langworthy Chair, a position held by five Nobel Prize winners

1948

Prof Alan Turing OBE FRS

The father of modern computing; cracked the Enigma code, saving millions of lives in WW2

1906

Dame Christabel Pankhurst DBE

Suffragette who graduated with an LLB (hons) Law at a time when it was illegal for women to practise law

1979

Sir Arthur Lewis

Economist and Britain's first black professor, Lewis won the 1979 Nobel Prize for Economics

1989

Lord David Alliance CBE

Lord Alliance's landmark gift is currently transforming Alliance Manchester Business School

2006

Prof Danielle George MBE

Awarded an MBE for her services to promote public engagement in engineering

1998

Prof Brian Cox OBE FRS

Physicist and broadcaster, has become a household name through his work to popularise science

2016

Jean D'Amour Mutoni

Queen's Young Leaders Award recipient. Scholarship supported by a donation to the University

2004

Prof Alan Gilbert AO

President & Vice-Chancellor. Established Equity and Merit Scholarships and the Manchester Access Programme.

2017

Naa Acquah

General Secretary of the Students' Union 2015–2017, the first black woman to hold this position

Take Manchester with you

International alumni groups are a great way to keep in touch with fellow Manchester graduates and friends in your country. It's an opportunity to build professional and social networks as well as keeping in touch with The University of Manchester.

Here's where you'll find the largest communities of Manchester graduates around the world.

Find your nearest alumni coordinator or volunteer to become one in your own country at your.manchester.ac.uk/get-involved/global-networks/.

Now is the time to let yourself shine.

Through Stellify we focus on the real world impact of what we do. We gave you opportunities to do more and be more; to become the best graduate you can be. Wherever your next steps may take you, we want you to broaden your horizons, understand the issues that matter, and step up to make a difference to the local and global community.

Your Stellify path was unique. "What you got out of your time here depends on what you put in, what you wanted to do, and what you discovered along the way." If you embraced these five points of action you will truly enhance your knowledge and experience as you take your next steps as a graduate of The University of Manchester. Congratulations!

LEARN WITHOUT BOUNDARIES

RIA
BASU

Ria undertook award-winning research outside of her core subject – finance

"My third-year research project analysed population trends in Bangladesh and proposed policy suggestions to the Bangladeshi government to deal with changing demographics.

"Winning the Undergraduate Award was amazing. I met and collaborated with students studying degrees very different to mine, discussing topics across many disciplinary boundaries.

"I've gained new research skills, boosted my critical thinking and broadened my academic perspective – which will help me succeed in any career path."

STELLIFY

STEL•LI•FY (VERB)

to change, or be changed,
into a star

UNDERSTAND THE ISSUES
THAT MATTER

OLLIE THOMSON

Ollie won our JustFest short film competition

"Me, She, We is a film that aims to stimulate discussion around feminism and social injustice. I wanted to inspire people in the way I had been inspired and learn from those around me."

"This experience confirmed that I'd love a career as a filmmaker, but also that I want to focus my work on the issues that challenge our society."

STEP UP
AND LEAD

ALEXANDER TAYLER

Alex is the new UMSU General Secretary 2017/18

"I decided to run for General Secretary of the Students' Union so that I could give something back to the University that has given me so much over the last three years. Having been inspired by the many amazing things that Manchester graduates have done, I wanted to take a leading role in shaping the future of the University. I also wanted to ensure that other students are provided with as many great opportunities to develop as I was."

MAKE A
DIFFERENCE

AISWARYA KISHOR

Aiswarya volunteers her time to improve the lives of asylum seekers and refugees from Syria with the Refugee Conversation Club.

"When I first came to Manchester I looked for opportunities to volunteer and I discovered Student Action. I got involved with lots of different projects, but realised I really enjoyed being part of the Refugee Conversation Club and this year I became one of its leaders."

"I've realised no matter where you are in the world, there is always someone who needs your help. There are many opportunities to help give back – what's stopping you?"

CREATE
YOUR FUTURE

JAKE JONES

"I studied abroad in Vancouver for a year which was phenomenal. I feel immensely fortunate to have such an amazing experience. It was the most beautiful place I've ever visited. The entire experience built my confidence and I made friends who I'm sure will be friends for life. I also developed great friendships with my lecturers and met lots of contacts who I'm sure can help me with my future plans."

"My experience at Manchester has taught me so much about myself. I now understand more about what I like and dislike which in itself has been invaluable."

Highlights

2016-17 was an eventful year for the University. Here are some of the highlights.

Manchester rises up the ranks of the world's top universities

The University of Manchester climbed six places in an annual global ranking of universities, which cements its place as one of the world's best higher education institutions. Published in August 2016, the Academic Ranking of World Universities ranked the University 35th – our highest position since ranking began.

Graphene sieve turns seawater into drinking water

In April 2017, a study published by our researchers demonstrated the real-world potential of graphene-oxide membranes to provide clean drinking water for millions of people who struggle to access adequate clean water sources. The 'graphene sieve' filters common salts from water to make it safe to drink – a breakthrough that could lead to affordable desalination technology.

A decade of Equity and Merit scholarships

In March 2017 we celebrated ten years of the Equity and Merit Programme, which awards master's scholarships to exceptional individuals from some of the world's poorest countries. There have been 206 scholars to date, each of whom was selected for both their academic excellence and their commitment to the economic and social development of their home communities.

Duke and Duchess of Cambridge visit campus

During a royal visit to the city in October 2016, The Duke and Duchess of Cambridge visited the National Graphene Institute (NGI) at The University of Manchester. Following their tour of the NGI, The Duke and Duchess continued on to the site of the Manchester Engineering Campus Development.

Manchester students win 'junior Nobel Prize'

Two students from The University of Manchester scooped top prizes in the Undergraduate Awards in November 2016, a global award often referred to as the 'junior Nobel Prize'. Jamie Hargreaves and Natalia Beghin won 'Global Winner' awards in the Mathematics & Physics and Politics & International Relations respectively, while 11 other Manchester students were highly commended.

Eight thousand students – one grand challenge

In one of the largest projects ever undertaken by university students, thousands of first-years at Manchester took part in our Sustainability Challenge in the first week of term. The one-day challenge was a complex one – to work with people they'd never met before to deliver a huge new campus in the fictional city of Millchester, incorporating costs and energy efficiency, while paying attention to the needs of the local community.

Outstanding Academic Achievement Awards

The University of Manchester Award for *Outstanding Academic Achievement* is awarded to the top students in each graduating year based solely on academic performance and consists of a certificate presented at graduation and a cheque for £1,000.

The prestigious award reflects the exceptional performance of the individual graduates during their time at The University of Manchester.

Faculty of Biology, Medicine and Health

Rebecca Pryke
Bachelor of Midwifery
School of Health Sciences

Distinguished Achievement Awards

The University Distinguished Achievement Awards are awarded to students who have made an exceptional contribution to the life of the University, contributed significantly to the development of the curriculum, enhanced other students' experience at University, or coupled excellent academic achievement with a major external activity.

Faculty of Humanities

Rebecca Brookes
*School of Arts, Languages
and Cultures*

Faculty of Science and Engineering

Rory Devonport
School of Computer Science

Faculty of Biology, Medicine and Health

Kim Elisabeth Shepherd
School of Health Sciences

President's Doctoral Scholars

Each year The University of Manchester presents the President's Doctoral Scholar Award, the highest accolade bestowed upon members of our postgraduate researcher community. It is awarded to approximately 3% of our research students who demonstrate academic excellence and leadership potential.

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate

Members of the Teaching and Administrative Staff

Wardens of Halls of Residence

Stewards

The Presenters

The Mace Bearer

The Presiding Officer

The Registrar and Secretary

10am Degree ceremony

Professor Matt Lambon-Ralph
will Preside

Dr Jackie Platt
will act as Registrar and Secretary

**Professor Peter Clayton and
Professor Jane Worthington**
will address the ceremony

Dr Carol Yates
*will present graduands from the
School of Medical Sciences*

**Dr Ingo Schiessl and
Professor Rachel Watson**
*will present graduands from the
School of Biological Sciences*

Organist
**James Garratt MA, PhD, ARCM,
FHEA**

Mace Bearer
Mike Gordon

12.15pm Degree ceremony

Professor Nalin Thakker
will Preside

Mrs Gabrielle Brennan
will act as Registrar and Secretary

Professor Kay Marshall
will address the ceremony

**Dr Richard Brown and
Dr Christine Furber**
*will present graduands from the
Faculty of Biology, Medicine
and Health*

Organist
**James Garratt MA, PhD, ARCM,
FHEA**

Mace Bearer
Dean Kelly

2.30pm Degree ceremony

Professor Ian Greer
will Preside

Mr Cameron Scouler
will act as Registrar and Secretary

Professor Kay Marshall
will address the ceremony

Professor Steven Pryjmachuk
*will present graduands from the
Faculty of Biology, Medicine
and Health*

Dr Clifford Richardson
will read the Affirmation

Organist
Elin Rees MusM, LRSM

Mace Bearer
Pat Shiels

4.45pm Degree ceremony

**Professor Dame Nancy Rothwell,
President and Vice Chancellor**
will Preside

Mr Cameron Scouler
will act as Registrar and Secretary

**Professor Kay Marshall and
Professor Dame Nicky Cullum**
will address the ceremony

Ms Joanne Timpong
*will present graduands from the
School of Health Sciences*

Dr Clifford Richardson
will read the Affirmation

Organist
Elin Rees MusM, LRSM

Mace Bearer
John Green

Please see affirmation on page 20.

The Affirmation

For Nursing students at ceremonies
on Monday, 11 December at
2.30pm and 4.45pm

Graduates to stand

(new graduates in Nursing please stand)

"I affirm that I will:

- make the care of patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice patients' care;
- act quickly to protect patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a nurse or midwife;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against my patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply:

"I so affirm".

Tuesday, 12 December 2017

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate

Members of the Teaching and Administrative Staff

Wardens of Halls of Residence

Friday, 15 December 2017

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate

Members of the Teaching and Administrative Staff

Wardens of Halls of Residence

Stewards

The Presenters

The Mace Bearer

The Presiding Officer

The Registrar and Secretary

10am Degree ceremony

Professor Richard Reece
will Preside

Miss Karen Charters
will act as Registrar and Secretary

Professor Simon Rowland
will address the ceremony and present graduands from the School of Electrical and Electronic Engineering

Professor Chris Hardacre
will present graduands from the School of Chemical Engineering and Analytical Science

Professor Richard Winpenny
will present graduands from the School of Chemistry

Organist
Philip Lowe LTCL., RMN, FBS

Mace Bearer
Frank Green

12.15pm Degree ceremony

Professor Stephen Flint
will Preside

Dr Darien Rozentals
will act as Registrar and Secretary

Professor Alice Larkin
will address the ceremony

Professor Kevin Taylor
will present graduands from the School of Earth and Environmental Sciences

Dr Alistair Revell
will present graduands from the School of Mechanical, Aerospace and Civil Engineering

Organist
Philip Lowe LTCL., RMN, FBS

Mace Bearer
Pat Shiels

2.30pm Degree ceremony

Professor Martin Schröder
will Preside

Mrs Sarah Mulholland
will act as Registrar and Secretary

Professor Alice Larkin
will address the ceremony

Dr Alistair Revell
will present graduands from the School of Mechanical, Aerospace and Civil Engineering

Organist
Philip Lowe LTCL., RMN, FBS

Mace Bearer
John Green

4.45pm Degree ceremony

Professor Colette Fagan
will Preside

Mr Will Spinks
Registrar, Secretary and Chief Operating Officer

Professor Chris Orme
will address the ceremony

Professor Stuart Shields
will present graduands from the School of Social Sciences

Organist
James Hume MusM, PhD

Mace Bearer
Marian Bailey

**10am
Ceremony**

Doctor of Engineering

Benjamin John Knight-Gregson

Doctor of Philosophy

Nabeel Ahmed
Mesut Bekirogullari
Julie Brooks
Jasmin Cooper

--	---	---

Congratulations to the Class of 2017

You're now a member of our alumni community

At Manchester we're proud to have the largest global alumni community of any campus-based university in the UK, with many of our 450,000 graduates holding top positions in every imaginable field.

We're here to help you maintain a lifelong connection with us and with each other, share experiences and expertise and enjoy alumni-exclusive offers, events, networking and volunteering opportunities. All of our services can be accessed at your.manchester.ac.uk.

The Manchester Network

The Manchester Network is our online professional networking service that helps you get ahead as you search for the perfect career by connecting you with fellow alumni wherever you are in the world and without having to make a long-term commitment.

Find a mentor

The advice and support of alumni who have experience, insights and hindsight can help you make the right choices. You can search our directory of graduates by location, industry or experience to connect with an alumni mentor or recruiter

who wants to offer advice, review a CV or application or offer work experience and internships or even a job to graduates like you.

Working with an experienced professional you connect with on the Manchester Network will mean you can:

- gain an insight into different roles, organisations and sectors;
- seek advice without committing to a fixed-term mentoring relationship;
- develop skills in communication, relationship building and organisation;
- access information and advice from experienced professionals;
- build confidence and commercial awareness;
- demonstrate a proactive approach to improving your employability;
- network and make new contacts.

Be found

You can also use the Manchester Network to update your contact details so that we can help you stay part of the University's global alumni community. From time to time, we can also send you news, invitations to exciting events, and information about volunteering opportunities or ways you can give back to the University.

Create an account now at your.manchester.ac.uk/manchester-network

International networks

Alumni groups are a great way to keep building professional and social networks with fellow Manchester graduates in your region and keep in touch with the University. To find your nearest alumni coordinator visit your.manchester.ac.uk/get-involved/global-networks

Library access

Online

Discounted or free access to e-resources through services including JSTOR will prove invaluable to you in terms of personal research and professional development.

To access a wide range of journals for further study and research visit your.manchester.ac.uk/services/e-resources

In person

As a graduate you will be able to access the Library free of charge when you come back to campus and borrow up to 15 non-high demand books for a semester.

Your future starts here

UNIVERSITY OF MANCHESTER

As a new graduate of The University of Manchester, you have opened up the doors to a whole range of opportunities and we are here to help you to take your first steps into life after university. You'll have full access to the resources and expertise of The Careers Service for two years after you graduate. Here are three things you can do now to prepare for your future.

1

Build and maintain your network

Now is the ideal time to create and update your LinkedIn profile, and to connect with your fellow graduates. You never know who could end up introducing you to your perfect job.

2

Update your CareersLink access

CareersLink hosts thousands of job vacancies specifically targeting University of Manchester students and graduates. As a new graduate, you'll need to update your details so that you can log in with a non-student email address. Follow the instructions when you select "Login as a graduate". manchester.ac.uk/careerslink

3

Get help with applications, interviews and more

The support we offer covers the whole application process – from guidance if you're unsure what to do next, to helping you prepare for an interview or practice for an assessment centre. You don't have to be in Manchester to use our services, contact us by e-mail, over the phone, Skype or live online chat. If you are in Manchester come and see us in person in The Atrium.

manchester.ac.uk/careers/services

Follow these steps and you'll be well on your way to success!

In around 15 months' time, an agency on our behalf will be contacting you to find out what you have gone on to do after leaving university. You'll be invited to complete a survey (the Graduate Outcomes Survey) that will help us find out more about what you are doing in the first months after graduation and inspire future generations of Manchester students.

#UoMGraduation

During the course of this event no alarm test or an emergency evacuation practice has been planned. Therefore, if the alarm, which is a single stage alarm is activated it should be treated as a potential incident requiring evacuation.

Graduands and Guests are asked to remain calm and seated and follow the instructions given by stewarding staff.

The Assembly point is on the front quadrangle which is adjacent to the Whitworth Hall in front of the John Owens Building.
