

Research involving animals

carried out at The University of Manchester requiring
a Home Office License

At The University of Manchester our research
covers a wide spectrum of disease in the UK
including cardiology, stroke, dementia and cancer

Currently...

4 million people are living
with a **heart condition**.
73,000 deaths a year (NHS.uk)

350,000 people with **cancer**
and **160,000 deaths** a year
(Cancer Research UK)

850,000 people who have
dementia (Alzheimer's Society)

110,000 people have a stroke
each year (NHS.uk)
