

Research involving animals

carried out at The University of Manchester requiring a Home Office License

At The University of Manchester our research covers a wide spectrum of disease in the UK including cardiology, stroke, dementia and cancer

Currently...

4 million people are living with a heart condition,73,000 deaths a year (NHS.uk)

350,000 people with **cancer** and **160,000 deaths** a year (Cancer Research UK)

850,000 people who have **dementia** (Alzheimer's Society)

110,000 people have a stroke each year (NHS.uk)
