

Faculty of Science & Engineering

International Excellence Undergraduate Scholarships

The Faculty is offering up to ten scholarships of £2,000 per annum for well qualified international undergraduate students. These scholarships will be renewed for each year of full-time study, *up to a maximum of four years*, and subject to students' sustained academic performance (attaining a minimum of 60% in their examinations).

Criteria for nominations:

- This scheme will apply to any undergraduate degree programme within the Faculty of Science & Engineering at The University of Manchester
- Each scholarship will be awarded on the basis of a student demonstrating high performance in his or her High School final year examinations (usually Year 12 or Year 13) and the academic reference on their UCAS form
- Each subject area within the Faculty i.e. Aerospace Engineering, Chemistry, Chemical Engineering, Computer Science, Civil Engineering, SEES, EEE, Materials Science, Mathematics, Mechanical Engineering, Physics & Astronomy, Textiles, Foundation Year, should put forward their top two applications, which will then be considered by a panel of judges
- Two scholarships will be targeted at applicants who are Indian nationals or are permanently domiciled in India and two scholarships will be targeted at applicants who are Chinese nationals or are permanently domiciled in China
- All applicants must be non-UK/EU residents
- Applicants must have applied through UCAS for a place on an undergraduate degree programme in FSE for entry in September
- Applicants must have accepted a programme in FSE as their firm choice by the end of June in the year they will start their course
- Applicants must have submitted their examination results to the Faculty by the end of August in the year they will start their course
- Once they have started their course successful students must still be registered with the University on a full-time UG FSE degree programme by December
- There will be no separate application form. All international students who are holding an offer of a place within the Faculty of Science & Engineering at The University of Manchester can be considered for a scholarship
