

The University would like to welcome you to our **Community Festival – a fun day when you can meet our staff and students and get involved in weird and wonderful activities, performances and demonstrations. You can also find more out about working and studying here at the University, and how you can work with us on our research to make a difference.**

The Festival activities are taking place between 11am to 4pm and most are available for you to drop in at any time. (Please note: Manchester Museum will be open until 5pm.)

Look out for our staff and students in yellow and purple to welcome you and help you find your way round.

We hope you have a fun and enjoyable day.

Manchester Museum Highlights include:

Meteorite Hunt!

Could you identify real meteorites from terrestrial rocks? Become a space sleuth and try out the tricks and techniques used by our astro-geologists.

The Many Languages of Manchester

Come and find out more about Manchester's many languages! Play family-friendly language games, add your own language skills to our city map and learn some new words in our language taster session.

Pokémon Quest

Take up a Pokémon challenge by using the Pokémon Go app to find creatures around the Museum and search for their real life animal equivalents.

Keeping Ageing Brains Healthy

Find out which activities can keep your brain healthy and what can help people live well with dementia.

University Place Highlights include:

Face Painting

Dr Who?

Come and find out more about Delia Derbyshire, a pioneer of electronic music and the woman behind the world famous Dr Who theme. Play the Deliaphonica Game to understand how Delia created electronic music from tape loops and samples of non-musical objects such as a lampshade!

Can you shout as loud as a parrot?

Come and see how loud you can shout and see inside your own ear.

Walk across a liquid

From quick sand to cornflour, come and explore the world of non-Newtonian fluids by walking across a liquid – don't stop or you'll sink!

Fly around the World!

Come and collect your passport and meet people from around the world (on the first floor).

Make your own 3D Model

Come and play with our 3D doodle pens and make your own 3D models (only suitable for people aged 6 years+)

Please note: you need to book a time slot for this activity at the stand.

Confucius Institute

Transport yourself to China!

Enjoy classical music performances, a tour of the Chinese Garden, a tea ceremony, discover 'Routes to China' for students and get involved in Chinese arts & crafts workshops for children.

Heritage Tours

Journey around the University's fine neo-gothic architecture and sites of world-changing discovery and hear how our University developed from pioneering origins in the industrial revolution to become a leading world university. Learn about how we became England's first civic university and visit sites including where Ernest Rutherford 'split the atom' and where Alan Turing helped lay the foundations of modern computing.

Tours are running at 11am, 12pm, 1pm, 2pm and 3pm starting in the Old Quadrangle. Booking is essential at Heritage Tours or at the Welcome Desk in University Place.

Safe Space

If you want a little time out and quiet time from the Festival pop along to Nature Discovery Gallery, Floor 1, Manchester Museum. This space is for visitors who need some quiet time away from the busy lights and sounds of the Festival. It is autism friendly and suitable for people who are looking for a relaxing, calm but stimulating space.

Chemistry Building

Flash-Bang Show

This is a visually exciting and loud demonstration revealing the joys of chemistry! It takes you from some basic learning about atoms and molecules, to some cutting edge research at the University. Located in the Chemistry Building, the doors open at 3pm and the show starts at 3.15pm. Suitable for all ages but there are loud bangs which may not be enjoyed by everyone.

Please note: you need a ticket to attend this show. Tickets can be collected from the Welcome Desk in University Place.

We ask all visitors to the Festival to collect a yellow wristband from either of the Welcome Desks in University Place or Manchester Museum.

The wristband will provide access to some special offers during the Festival.
