#### The University of Manchester

### H.E. David / Zochonis / Pawel Koprowski Travel Awards 2018/2019

## DETAILS OF PROPOSED PROJECT OR SPECIAL STUDY

The salient points of your proposed project, including COSTING AND ANY ADDITIONAL COSTING NOT MENTIONED ON PAGE 1 must be summarised on this page ONLY. Please note that we cannot take into consideration costs for Clothing/Equipment and Vaccinations. If you have made any applications to other bodies, including any fundraising events / individual events, please give full details below. Candidates are naturally at liberty to enclose other relevant documentation - Please do not include bulk correspondence. The Panel which considers applications expects some degree of detail to be provided where a considerable amount of money is being applied for.

Please explain here in just a few sentences the personal benefit you see yourself deriving from carrying out your proposed project:

#### <u>The University of Manchester</u> H.E. David / Zochonis / Pawel Koprowski Travel Awards 2018/2019

## <u>RISK ASSESSMENT</u> (ONLY COMPLETE ONE Risk Assessment).

The Panel which considers applications will want to know that you have carefully considered the risks associated with your chosen project and that you have taken such steps that are reasonable to minimise the risk to your health and safety. We have included a checklist below, as a prompt for you. As part of your application you must include a risk assessment, addressing each of the items on the checklist, even if your answer to some of them may be 'not applicable'. Responses to some items on the checklist may be brief (a few words, or a sentence or so) or may need to be more detailed (a few paragraphs) according to the nature of your chosen project.

1.	Travel	Overall Itinerary	
		Travel to destination	
		Travel at destination	
		Documents: visas, insurance, official permission	
2.	Accommodation		
3.	Medical	Evaluation of local conditions
