

NIHR STROKE RESEARCH WORKSHOP 2019

Date: Wednesday 11 and Thursday 12 September 2019

Location: Chancellor's Hotel & Conference Centre, Manchester

Arranged on behalf of the NIHR Clinical Research Network Stroke Speciality.
Supported by The Stroke Association, the British Association of Stroke Physicians
and NIHR Clinical Research Network Greater Manchester

Abstract submissions

We encourage submission of abstracts on any aspects of stroke research. These will be reviewed by the steering committee and there will be spaces for both oral (junior researcher) presentations and posters.

Abstracts should be laid out in the following formats:

- 1) Abstracts should include title, authors and institutions.
- 2) Under the following headings: introduction, methods, results, and conclusions.
- 3) Abstracts should fit on 1 page of A4 including any figures and tables.
- 4) Maximum word count including title, authors, figure and tables is 400 words.

Abstracts should be submitted to stroke@manchester.ac.uk by 12 July 2019.

Abstract submissions will only be accepted from individuals who are already registered for the conference.

For any queries about the submission process contact Mary Hargreaves on
