

# Wellcome Trust Translational Partnership Award (TPA) Informatics Training Scheme 2021

## Application Form

Please note, applications will only be considered for projects that aim to utilise this training to **support the translation** of their research.

Applicant information:	
Name	Faculty/Institute
Student/Staff ID	<input type="checkbox"/> Faculty of Biology, Medicine and Health
School	<input type="checkbox"/> Faculty of Science and Engineering
Division/Department	<input type="checkbox"/> Faculty of Humanities
	<input type="checkbox"/> CRUK MI (Manchester Institute)
Role at UoM <i>Tick one of the boxes on the right and add any relevant details below</i>	
<input type="checkbox"/> PhD student	<input type="checkbox"/> Clinical research fellow
<input type="checkbox"/> Research associate	<input type="checkbox"/> Research fellow
<input type="checkbox"/> Research technician	<input type="checkbox"/> Lecturer
<input type="checkbox"/> Research assistant	<input type="checkbox"/> Other, please specify:
Contact Details <i>Please provide your University email address</i>	
Current Funder <i>(Wellcome, MRC, BBSRC... etc)</i>	
Will you still be in post 1 year after the training course ends?	<input type="checkbox"/> Yes <input type="checkbox"/> No

Training information:	
Unit Codes <i>(e.g. BIOL60201)</i>	Did you discuss your unit choice(s) with teaching staff at the virtual workshop?
Course Unit <i>(e.g. Programming Skills)</i>	<input type="checkbox"/> Yes <input type="checkbox"/> No

Applicants may apply for a maximum of two 15-credit course units, please include details of both units in a single application.

1. Please provide a brief outline of the research project that this training is intended to support <i>(word limit 150)</i> .
---

2. Which translational research skills are you seeking to gain or develop from the course(s) and how will these skills be implemented in your research to enable progression along the translational pipeline (word limit 150)?  
*Would these new skills be immediately beneficial to a project or data set that you are working on now?*

3. Please provide a statement of support from your Supervisor/Manager/Head of Group (word limit 150).

*Please include a short statement as to how the applicant's attendance on this course will support and progress translational research activity in your wider department/group/lab.*

*This field is not needed if the applicant is Fellow or above*

By signing this form, we agree to adhere to the Terms and Conditions of this scheme:

Print name and signature of applicant:		Date:	
Print name and signature of supervisor/ PI / Head of School:		Date:	

Please email your completed application to [translation@manchester.ac.uk](mailto:translation@manchester.ac.uk)
