IN ROCHDALE?

What would make the difference

- Community conversations
- Data on work
- Impact of economic insecurity
- Fractured networks & connections

- Year programme – 40 participants
- Hyper local
- Careers broker / life coach - mobilising strengths
- Mutual connections and support

Testing and learning – early cohort

- In work and out of work
 - Men and women, single and families
 - Extent of health issues
 - Starting points and pace of journey
 - Building community connections
 - Building local partnerships
-
- Potential to scale – scope & geography

“What I enjoy most about New Pioneers is witnessing those special moments of insight – the ‘light bulb moment’ when someone realises they can do something new that will empower them to go forward in life.”
