

Centre for Academic and Researcher Development Research Staff Development Online

The University of Manchester

LinkedIn Learning

LinkedIn Learning is open to all staff at the University and has more than 2000 online courses available that have been mapped to the International researcher development framework (Vitae®).

Use the mapping document to identify learning opportunities and key skills and competencies that you would like to develop further.

- ⇒ Get LinkedIn licence
- ⇒ <u>Download mapping document</u>

F

CARD Courses

You can access resources from workshops for the <u>Researcher Development Programme</u> via the training catalogue (from the date of the original scheduled workshop).

Additionally we have fully online courses including:

<u>Effective Presentation Skills</u>, <u>Research Grant Applications</u>, <u>Academic Writing</u>, <u>Guide to Influencing Effectively</u>, <u>Difficult Conversations</u>, <u>Communicating Assertively</u> and <u>Giving Feedback</u>.

Career Development and Mentoring

You can access careers support to help establish your independent research careers as well as careers beyond academia. In addition, there is a wide variety of mentoring and coaching opportunities for you to explore your personal and career goals and commit to actions to maximise your future potential.

- ⇒ One-to-one career consultations
- ⇒ One-to-one promotion and fellowship support
- ⇒ Confidential coaching and mentoring schemes
- ⇒ FutureLearn <u>career management</u> for early career researchers

Other Resources

There is a wealth of other resources available across the University including.

- ⇒ Staff learning and development
- ⇒ Intellectual Property Resources
- ⇒ Research Impact Resources

- ⇒ My Research Essentials
- ⇒ Methods@Manchester
- ⇒ University Coronavirus Research FAQs
