Campus guide

Travelling to the University

The University takes its social responsibility and relations with the local community seriously and aims to reduce its impact on the environment through its sustainability policies. Information on sustainable travel options is provided below and journey planning help is available at my.tfgm.com

RAIL

Manchester is well served by national and regional services.

Piccadilly Station is a 2 minute walk from north campus and is linked to south campus by the Stagecoach Magic 147 bus, which runs every 10 minutes, Mon – Fri, from Stop D, Fairfield Street. Buses start from Piccadilly Rail Station at 05.31 and the last journey past the Hospital to Piccadilly Rail Station is 20:21. **www.stagecoachbus.com/magic147**

Oxford Road Station is within 10/15min walking distance of both the north and south campuses. The route between the station and the south campus is also served by a vast number of buses (see below).

Victoria Station is located on the north side of the city and the University can be accessed via a combination of tram and bus/walk (see relevant sections below).

Plan your train journey at **www.nationalrail.co.uk**

BUS

There are many direct services from Piccadilly Bus Station and from south Manchester.

From Piccadilly Bus Station to south campus, buses include 15, 41, 42, 42A, 43, 44, 111, 142, 143 and 250.

From Piccadilly Bus Station to Victoria Park and Fallowfield via Upper Brook Street, buses 50 and 130.

The Stagecoach Magic 147 service runs from Piccadilly Rail Station, **www.stagecoachbus.com/magic147**

There are direct routes to south campus from Leigh, Atherton and Salford on the V1 and V2 services and from Middleton on the 18. From other parts of the city a change of bus may be required.

Plan your bus journey at **www.tfgm.com/route-explorer**

METROLINK TRAM

The closest tram stops are a walk or bus ride from the University (see the green 'M's' on the map above for stops). **www.metrolink.co.uk**

CYCLING

There is a segregated cycle route along Oxford Road to south campus. The University provides numerous cycle parking facilities at key locations on both campuses. To plan your cycling journey visit **www.tfgm.com/cycling**

WALKING

There are designated pedestrian routes on campus and much of Manchester is relatively easy to get around on foot. It is 2 mins from Piccadilly Rail Station to north campus and 20/25 mins to south campus. Plan your walking route at **www.tfgm.com/walking**

CAR

For sat nav or to plan your route by car, use the postcodes M1 3BB for north campus and M13 9PL for south campus.

New traffic priorities are in place for Oxford Road. Only buses, hackney carriages, emergency vehicles and cyclists are able to travel along Oxford Road between 6am and 9pm, seven days-a-week. General traffic heading into the city centre from Wilmslow Road must now turn right onto Hathersage Road and continue their journey along the adjacent Upper Brook Street.

The University has several car parks with varying access restrictions and charges. More details on individual car parks is provided here but for disabled access information and further details go to: **estates.manchester.ac.uk/services/operationalservices/carparking**
