

## System Release Jan 07

1. Quick entry screen option - ability to create a project record without having to go into the separate pages of the RMS
2. Update existing RGSU Div and RGSU Rgroup within the Investigators screen with Division and Research Institute details (if applicable)
3. Oracle Financials Information Screen to be created to include:
  - Actual Start and End Dates
  - Budget amendments
4. Project History page
5. Investigator page to be developed so staff with split appointments will only be counted as one person
6. System security - ability to set up users with different access levels to RMS eg. Read and Edit, Read only, School access only
