

We know that coming to a new country can be confusing.

How do you know where the banks are?

Or the doctors? Or the local canoe club?

Fortunately, we have brought together all of the essential services from across the university and beyond, and put them in a big tent on campus so you can get to know them better. The Services Fair for International and EU Students runs on Friday 16<sup>th</sup>, 1pm – 5pm, and on Saturday 17<sup>th</sup>, 10am – 4pm. It's right outside University Place, so you really can't miss it!
