- All Level 2 MHE students must choose 100 additional credits of optional course units (Lists A – E)

After following Steps 1 to 5 below, all Level 2 MHE students must have:

- Total selection of exactly 120 credits
- Maximum of 80 credits of HIST-, HSTM-, MEST-, RELT-, RUSS- and SALC-coded course units (including HIST 20390). You cannot select HIST-coded credits from List E so could not select more than 60 HIST-coded credits, including HIST20392.
- Upon completing these steps, all MHE Study Abroad Students should have selected at least 60 credits in History-related modules (HIST-, HSTM-, MEST-, RELT-, RUSS- and SALC-coded course units (including HIST20390).

- Minimum of 50 credits of course units in each semester
- Maximum of 70 credits of course units in each semester
- Course units whose lectures do not clash – check the timetable

The semester in which a course unit is taught is identified by the last digit in the course code (e.g. HIST1010**1** = Semester **1**).

A **0** (zero) final digit indicates the course unit is taught across both semesters.

Note on Credit Allocation Across Semesters and HIST Independent Research Project:

- When calculating your credit allocation by semester, the credits for **0**- (zero) coded courses should usually be divided equally between Semester 1 and Semester 2

Note on School of Social Sciences Course Selection and ECON-coded Course Units:

- MHE students must complete the School of Social Sciences (SoSS) and AMBS (BMAN) Course Selection Process to register for all SoSS and AMBS course units, including ECON- and POLI-coded course units.
- **There are some AMBS accounting and finance assessments that may have to be completed on campus should you wish to qualify for professional accreditation/exemptions. These assessments may only be available when on campus assessments are possible and you may choose to wait until such time to undertake these. Please note that if you opt to do this it may have an impact on the duration of your degree. If this will affect a course you are taking AMBS will be in touch with you closer to the assessment period.**

Note on ECON Course Unit Pre-requisites:

- Many of the Level 2 ECON courses in Lists C and D have ECON co/pre-requisites, most of which are listed below. Students can only register for Level 2 ECON course units if they have the necessary Level 1 ECON pre-requisites
- It is the responsibility of students to check any co/pre-requisite information for their desired ECON courses. This information can be searched for on the My Learning tab in My Manchester.

Note on Students Studying Abroad in Semester 2:

Students who have been offered a place to study abroad in Semester 2 must:
