- Students must plan their dissertation research schedule appropriately, and in consultation from welcome week onwards with their appointed dissertation supervisor.
- The semester in which a course is taught is identified by the last digit in the code (eg HIST30101 = Sem. 1). A 0 (zero) final digit, e.g. HIST30970, indicates that the course is taught across both semesters and the total credit weighting for the unit is to be divided equally between semesters.
