### Regulations:

- All Level 3 MHE students must take HIST30970
- All Level 3 MHE students must choose 80 additional credits of optional course units (Lists B-E)

### After following Steps 1 to 5 below, all Level 3 MHE students must have:

- Total selection of exactly 120 credits
- **Students may take no more than 70 credits in any one semester** (including 20 credits per semester for the 40-credit dissertation).
- Course units which do not clash – **check the timetable**
- Select no more than 20 credits of University Language Centre modules

### Note on Allocation of Credits Across Semesters and HIST30970:

- **Students may take no more than 70 credits in any one semester** (including 20 credits per semester for the 40-credit dissertation). Students would be advised not to exceed 60 credits (including 20 for the dissertation) in semester 2.
- Students must plan their dissertation research schedule appropriately, and in consultation from welcome week onwards with their appointed dissertation supervisor.
- The semester in which a course is taught is identified by the last digit in the code (eg HIST30101 = Sem. 1). A 0 (zero) final digit, e.g. HIST30970, indicates that the course is taught across both semesters and the total credit weighting for the unit is to be divided equally between semesters.

### Note on School of Social Sciences Course Selection and ECON-coded Course Units:

- MHE students must complete the School of Social Sciences (SoSS) and AMBS (BMAN) Course Selection Process to register for all SoSS and AMBS course units, including ECON- and POLI-coded course units.
