## LIVEBAIT

Situated in the heart of the city where *Lloyd Street* meets *Albert Square* Livebait is Manchester's most famous seafood restaurant and bar.

Over the years the restaurant has gained a reputation for the very best British shellfish and seafood. Now under new ownership we are continuing with great British seafood, Oysters from Colchester Cumbrae and Donegal, Scallops Langoustines and Crab from the Isle of Mull and Skye on the West Coast of Scotland, Halibut, sole, plaice, cod, turbot, and bream from our local markets at Fleetwood on the west coast and Grimsby on the east coast.

Those who may prefer something different can enjoy prime British beef and local game in season and great vegetarian dishes too.

We have a great selection of wines & champagnes and a full bar with some excellent and whiskies, brandies, ports and liqueurs.

We can seat 140 people and whether it's lunch or dinner or a dozen oysters and a glass of champagne at the bar, you are very welcome. We also have areas in the restaurant that can be booked out for private dinners or celebrations.
