Step 4. Choose a minor in Digital Humanities

As a single honours student in SALC you have the option to study the minor in **Digital Humanities**. Taking this minor allows you to explore the subject area, whilst still allowing you to complete your single honours degree. At the end of the first year, you can choose to continue with the minor in years two and three, and have the subject feature in your degree title if you wish. Alternatively, if you decide to drop the minor, you can still make use of free choice credits in years two and three.

Enrol to the following units for the **Digital Humanities** minor:

<https://documents.manchester.ac.uk/display.aspx?DocID=75455>

Tell us you are following the minor in Digital Humanities by emailing us at salc.programmes@manchester.ac.uk

Please note that the minor is subject to availability and timetabling constraints. If you do not want to commit to taking the minor, you can still enrol to an option within the subject area as a free choice unit.

5: Free choice – if you have not yet registered for 120 credits, you must select the remains of your credits as free choice units. You may choose up to 40 credits of free choice units.
