Your Course Events

Welcome to your guide of activities provided by your course during Welcome Week, along with a brief description of what you can expect during these sessions. Make sure you attend all of your course events, where you will learn essential information about your course and meet fellow students and key academic staff! Don't miss out on taking part in the Grand Ethical Challenge on Tuesday 17th September in the afternoon.

Our students are key citizens and leaders of tomorrow, so we want to ensure you are able to exercise important ethical, social and environmental responsibilities. The Sustainability Challenge will help you consider these issues and is an essential part of Welcome Week. Look out for an email at the beginning of Welcome Week with more details.

Your University and Union Events

Visit the Welcome to Manchester webpage for a full schedule of event and activities around campus during Welcome Week and find ten top tips on how to meet new people. We recommend the Campus and City tours which are designed for students, by students and the Start of Year and Welcome Fair where you can find information for the 460+ clubs and societies at the University. Expect society sign ups and plenty of free stuff!
