It is a legal requirement world-wide that anyone seeking a new policy of insurance/reinsurance or cover for additional risks or renewal under an existing policy, must disclose any information that might influence the insurers/reinsurers in fixing the premium or determining whether to accept the risk. Under English law, failure to do so may entitle insurers/reinsurers to avoid cover from inception and to seek repayment of paid claims. **If you are in any doubt as to whether information is material you should disclose it.**
