

Student Finance and Budgeting Workshop (useful websites)

Student Finance

- Government website (Information on all things student finance: talks you through how to apply and gives information on the different bursaries available)
www.direct.gov.uk/studentfinance
- Receive an estimate for how much financial support you will receive from the government based on your household income (more money is available from the University of Manchester on top of this figure) <https://www.gov.uk/student-finance-calculator>

NHS

- Find details on the NHS bursary (only available for certain courses)
<http://www.nhsbsa.nhs.uk/students>.

Budgeting and Banking

- A great website for all things financial. Lots of advice on ways to save money
<http://www.moneysavingexpert.com/students/>.
- List of student bank accounts and the different advantages to each one- explains what to look out for when finding a bank account
<http://www.moneysavingexpert.com/students/Student-bank-account>.

Jobs

- Lots of information on getting work experience and internships while at university
www.careers.manchester.ac.uk/workexperience.
- For Manchester students, search for jobs online www.manchester.ac.uk/careerslink
