

The University of Manchester

Degree *Congregations*

DECEMBER 2013

At The University of Manchester,
we focus on *making things happen*,
turning enthusiasm into
achievement and ground-breaking
theory into cutting-edge practice.

Our newest graduates today join a prestigious hall of fame that includes 25 Nobel Prize winners among our current and former staff and students, and a worldwide community of more than 240,000 alumni who can be found holding top positions in every imaginable field.

Over a distinguished history spanning more than 180 years, our innovative minds have accomplished feats of global importance, including the birth of the modern computer, the splitting of the atom, and the foundation of modern-day economics.

Today, our students form a diverse and fascinating community, drawn from all corners of the globe, united in their goal to build a better future via a world-class educational experience of a lifetime.

We encourage our students to take charge of their future, finding a voice and forming opinions, getting involved and meeting fresh challenges, making the most of the multitude of resources and opportunities that we have to offer.

And we know, with their intelligence, inspiration and ambition, our new graduates will find they have what it takes to make their future happen.

Welcome

from the President and Vice-Chancellor

I welcome you all – graduands, family members and friends – to The University of Manchester for this degree congregation.

This is a time of celebration for all of us and I very much hope that you find it an enjoyable occasion. As each graduand is presented for conferment of their degree, the University shares with you all a great sense of pride in the award they have worked so hard to attain.

For those of you graduating today, these ceremonies mark not the end of your relationship with the University but the start of a new stage. It is my hope that the links between the University and you will grow ever stronger and I look forward to you becoming an active member of the University's alumni body.

I wish you every success for the future and that you all have a truly memorable day.

Professor Dame Nancy Rothwell
President and Vice-Chancellor

The Faculty of Engineering and Physical Sciences

The Faculty of Engineering and Physical Sciences is large and comprehensive with nine component schools: Chemical Engineering and Analytical Science; Chemistry; Computer Science; Earth, Atmospheric and Environmental Sciences; Electrical and Electronic Engineering; Materials; Mathematics; Mechanical, Aerospace and Civil Engineering; and Physics and Astronomy. Together they offer a diverse portfolio of research and teaching of the highest quality.

Many of the major advances of the 20th century began here, including the work by Rutherford leading to the splitting of the atom and the development of the world's first modern computer. Today research activities remain at the cutting-edge and the Faculty now generates around £75 million in research funding a year.

The quality, breadth and volume of research activity at the Faculty of Engineering and Physical Sciences is unrivalled. There are more than 70 specialist research centres and groups at the Faculty, each undertaking pioneering research into areas ranging from nuclear decommissioning and nanotechnology to artificial intelligence and aerospace.

Research is at the heart of The University of Manchester's Faculty of Engineering and Physical Sciences. The 2008 Research Assessment Exercise revealed outstanding results, with all of our departments demonstrating international or national excellence.

The Faculty of Humanities

The Faculty of Humanities is the largest of the University's four Faculties, with a world-leading reputation in research that spans academic areas as diverse as the arts, international development, modern languages, education, law, the social sciences, business and management. With a total income of around £190 million per annum, around 18,000, students and some 1000 academic staff, it is equivalent to a medium-sized university in the UK.

Major institutes and centres include the Centre for New Writing, the Institute for Social Change, the Brooks World Poverty Institute, Humanitarian and Conflict Response Institute, the Manchester Institute for Innovation Research, the Research Institute for Cosmopolitan Cultures, the Centre for Chinese Studies, the Institute for Development Policy and Management, the

Centre for Equity in Education and the Sustainable Consumption Institute.

In the 2008 Research Assessment Exercise, Humanities was behind only Oxford and Cambridge in the number of world-leading staff returned, classified as 4*. Of its activity, 22% was classed as world-leading and a further 40% as internationally excellent.

The Faculty of Life Sciences

The Faculty of Life Sciences is a world-class research establishment, recognised as an international site of excellence in terms of research power and importance in the latest Research Assessment Exercise.

It is home to more than 1,000 researchers, over 2,000 undergraduate students and has an annual budget in excess of £100 million.

Students benefit from modern facilities, innovative teaching techniques and the opportunity to be taught by leading experts from across the breadth of the life sciences. The highly interactive research and teaching environment allows the Faculty to conduct the highest quality research while maintaining an extensive range of undergraduate and graduate programmes as well as vocational training.

The Faculty's research fields include environmental biology, disease biology, neuroscience, genetics and zoology. There are also world-leading researchers studying vision science and the history of science, technology and medicine.

Academics regularly have their work published in leading scientific journals and significant breakthroughs are consistently being made in the understanding of a range of diseases.

Rapid advances in molecular and structural biology, genomics and bioinformatics will ensure that the life sciences continue to dominate scientific discoveries in the 21st century.

The Faculty of Medical and Human Sciences

The Faculty of Medical and Human Sciences has a long and proud history of innovative teaching and ground breaking research, and is one of the largest faculties of clinical and health sciences in Europe. The Faculty has five Schools: Medicine, Dentistry, Pharmacy, Psychological Sciences, and Nursing, Midwifery and Social Work. It also has six Faculty research-focussed institutes: Brain Behaviour and Mental Health; Cancer Sciences, Cardiovascular Sciences; Human Development; Inflammation and Repair; and Population Health. The Faculty has strong interdisciplinary links with other Schools, Faculties and Institutes across the University, including Life Sciences, Engineering and Physical Sciences, Economic and Social Sciences, Education and the Paterson Institute for Cancer Research. The School of Medicine traces its past to the first medical school established in England outside London, while the School of Nursing was the first British school to offer a degree in the subject; similarly, Manchester was the first university to award degrees in Pharmacy and was the first university in Britain to appoint a full-time professor of psychology; the first degree programme in dentistry was introduced in 1904. The Faculty's

performance in the 2008 Research Assessment Exercise (RAE) reflects its strength across an entire range of biomedical and clinical research areas from laboratory-based investigations through to studies of the impact of discoveries on the health of the population. There is a strong organisational capability for undertaking cross-faculty teaching and research activity in partnership with the public sector and industry. For example, in around 450 community placements/GP practices and 17 district hospitals, the Faculty trains in excess of 450 doctors each year. Similarly, in partnership with the NHS and Health Education England, it provides continuing professional development for 60,000 pharmacy professionals in England.

Furthermore, teaching and research is spread over a wide area with major links to Central Manchester University Hospitals NHS Foundation Trust, the Christie NHS Foundation Trust, Salford Royal NHS Foundation Trust, University Hospital of South Manchester NHS Foundation Trust, and Manchester Mental Health and Social Care Trust.

Degree Congregations
Monday, 9 December 2013

in the Whitworth Hall

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate and the Teaching and Administrative Staff

Stewards

The Presenters

The Mace Bearer

The Registrar and Secretary

~~~~~

**At the Degree ceremony at 12.15pm**

Professor Keith Brown will Preside

Mr Will Spinks, Registrar and Secretary

Professor Chris Orme will address the ceremony

Graduands from the School of Social Sciences will be presented by Dr Mark Elliot

Mace Bearer Alan Jones

**At the Degree ceremony at 2.30pm**

Professor Richard Reece will Preside

Mrs Alison Wilson, will act as Registrar and Secretary

Professor Jeremy Gregory will address the ceremony

Graduands from the School of Arts, Languages and Cultures will be presented by Professor Stephen Hutchings  
and Graduands from the School of Law will be presented by Dr David Booton

Mace Bearer Ray Walton

**At the Degree ceremony at 4.45pm**

Mr Tom Bloxham, The Chancellor will Preside

Mr Mike Mercer, will act as Registrar and Secretary

Professor Jeremy Gregory will address the ceremony

Graduands from the School of Arts, Languages and Cultures will be presented by Dr Martina Faller

Mace Bearer John Bromley

Helen Georgine Jones  
*Awarded 3 August 1943*

Gene Hetherington (formerly Helen Georgine Jones), 90, received her BA in Commerce on August 3, 1943 – but because of the war was unable to attend the graduation ceremony.

The graduate, originally from Neath in South Wales but now living in Mere Green, Sutton Coldfield, studied from 1940 to 1943, but went straight to help the war effort after she finished.

Working in the ministry of aircraft production founded by Lord Beaverbrook, she carried out the task of auditing in aircraft factories manufacturing Wellington bombers.

Because she subsequently led a busy work-life as a Lewis's buyer and a busy family life, and she never found the time to attend a graduation ceremony.

She has not been back to Manchester since the war - except for a trip to Jodrell Bank 50 years ago.

Shortly after Gene started her degree, many of her fellow students abandoned their studies to fight overseas in the forces.

But she still remembers the air raids which blighted the city, and especially the devastation caused by a bomb dropped in Christmas 1940 behind St Gabriel's church, close to where she stayed.

Her 23-year-old granddaughter Rachel, who studied for a Master's degree in Law, is also attending the same graduation ceremony today.

**Monday, 9 December**  
**4.45pm**

The Affirmation

(new graduates in Nursing and Midwifery please stand.)

"I affirm that I will:

- make the care of patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice patients' care;
- act quickly to protect patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a nurse or midwife;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm."

School of Nursing, Midwifery and Social Work

The Affirmation

(new graduates in Nursing and Midwifery please stand.)

"I affirm that I will:

- make the care of patients my first concern;
- treat every patient politely and considerately;
- respect patients' dignity and privacy;
- listen to patients and respect their views;
- give patients information in a way they can understand;
- respect the right of patients to be fully involved in decisions about their care;
- keep my professional knowledge and skills up to date;
- recognise the limits of my professional competence;
- be honest and trustworthy;
- respect and protect confidential information;
- make sure my personal beliefs do not prejudice my patients' care;
- act quickly to protect patients from risk if I have good reason to believe that I or a colleague may not be fit to practise;
- avoid abuse of my position as a nurse or midwife;
- work with colleagues in the ways that best serve patients' interests.

In all these matters I will never discriminate unfairly against patients or colleagues. I will always be prepared to justify my actions to them."

Graduates reply: "I so affirm." (graduates sit.)

Degree Congregations
Wednesday, 11 December 2013

in the Whitworth Hall

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate and the Teaching and Administrative Staff

Stewards

The Presenters

The Mace Bearer

The Registrar and Secretary

~~~~~

**At the Degree ceremony at 10am**

Professor Martin Humphries will Preside

Dr Simon Merrywest, will act as Registrar and Secretary

Professor Cathy McCrohan will address the ceremony and graduands

from the Faculty of Life Sciences will be presented by Professor Ray Boot-Handiford and Dr Emmanuel Pintteaux.

Professor Peter Duck will address the ceremony and present graduands from the School of Mathematics

Mace Bearer James Sullivan

**At the Degree ceremony at 12.15pm**

Professor Keith Brown will Preside

Mrs Rosie Williams, will act as Registrar and Secretary

Professor David Hulme will address the ceremony

Graduands from the School of Environment, Education and Development

will be presented by Professor Uma Kothari

Mace Bearer Marian Pugh

**At the Degree ceremony at 2.30pm**

At the Degree ceremony at 2.30pm

Professor Dame Nancy Rothwell, President and Vice Chancellor will Preside

Mrs Rosie Williams, will act as Registrar and Secretary

Professor Simon Guy will address the ceremony

Graduands from the School of Environment, Education and Development will be presented

by Professor Martin Evans, Professor Graham Houghton and professor David Hall

Mace Bearer John Green

**At the Degree ceremony at 4.45pm**

Professor Keith Brown will Preside

Mrs Emma Carter Brown, will act as Registrar and Secretary

Professor Olwen McNamara will address the ceremony

Graduands from the School of Environment, Education and Development will be

presented by Dr Linda Rush and Dr David Spendlove

Mace Bearer Colin Hart

Degree Congregations  
**Thursday, 12 December 2013**

in the Whitworth Hall

**Order of Proceedings**

*The Procession will enter the Hall in the following order*

(The Congregation Standing)

Procession Leaders

Procession Leaders

Members of Senate and the Teaching and Administrative Staff

Stewards

The Presenters

The Mace Bearer

The Registrar and Secretary

~~~~~

At the Degree ceremony at 10am

Professor Aneez Esmail will Preside

Mrs Anne McGourlay , will act as Registrar and Secretary

Professor Andrew Gale will address the ceremony

Graduands from the School of Mechanical, Aerospace and Civil Engineering

will be presented by Professor Andrew Gibson

Mace Bearer Michael Gordon

At the Degree ceremony at 12.15pm

Professor Rod Coombs will Preside

Mr Will Spinks , Registrar and Secretary

Professor Yong Wang address the ceremony

Graduands from the School of Mechanical, Aerospace and Civil Engineering

will be presented by Professor Andrew Gibson

Mace Bearer Peter Ball-Foster

At the Degree ceremony at 2.30pm

Professor Colin Hughes will Preside

Dr Colin Baines , will act as Registrar and Secretary

Professor Stephen Watts will address the ceremony and present graduands

from the School of Physics and Astronomy .

Professor Christopher Whitehead will address the ceremony and present

graduands from the School of Chemistry.

Professor Tony Brown will address the ceremony and present graduands from the

School of Electrical and Electronic Engineering .

Mace Bearer Dean Kelly

At the Degree ceremony at 4.45pm

Professor Kersti Borjars will Preside

Mr Steve Olivier, will act as Registrar and Secretary

Professor Mike Sutcliffe will address the ceremony and present graduands from the

School of Chemical Engineering and Analytical Sciences.

Professor Hugh Coe will address the ceremony and present graduands from the

School of Earth Atmospheric and Environmental Sciences.

Mace Bearer Ray Walton

Degree Congregations
Friday, 13 December 2013

in the Whitworth Hall

Order of Proceedings

The Procession will enter the Hall in the following order

(The Congregation Standing)

Procession Leaders

Members of Senate and the Teaching and Administrative Staff

Stewards

The Presenters

The Mace Bearer

The Registrar and Secretary

~~~~~

**At the Degree ceremony at 10am**

Professor Chris Taylor will Preside

Mrs Janine Ellis, will act as Registrar and Secretary

Professor Fiona Devine will address the ceremony

Graduands from the Manchester Business School will be presented by Professor Cathy Cassell

Mace Bearer Andy Stawiarz

**At the Degree ceremony at 12.15pm**

Professor Aneez Esmail will Preside

Mr Will Spinks, Registrar and Secretary

Professor Fiona Devine will address the ceremony

Graduands from the Manchester Business School will be presented by Professor Cathy Cassell

Mace Bearer Alan Jones

**At the Degree ceremony at 2.30pm**

Professor Luke Georghiou will Preside

Dr Heather Spiro, will act as Registrar and Secretary

Professor Fiona Devine will address the ceremony

Graduands from the Manchester Business School will be presented by Professor Cathy Cassell

Mace Bearer Peter Ball-Foster

**At the Degree ceremony at 4.45pm**

Professor Colin Bailey will Preside

Mrs Karen Varty, will act as Registrar and Secretary

Professor Colin Bailey will address the ceremony

Graduands from the School of Computer Science will be presented by Professor Jim Miles

and Graduands from the School of Materials will be presented by Professor Bill Sampson

Mace Bearer Vera Robertson

**Friday, 13 December  
10am**

Aadhithya Alagarasan

Unfortunately the Whitworth Hall Organ is currently out of use whilst it undergoes essential maintenance. The music at today's ceremony is a recording of the organ.

The Whitworth Hall organ was built by Henry Willis & Sons and installed in 1902. Its character and specification would originally have been similar to those of a large Victorian cathedral organ. In 1962 it was overhauled by J. W. Walker & Sons, who redesigned it in the then fashionable neo-Baroque style. Fifty years on, extensive maintenance work is again needed,

and the organ is currently being rebuilt by David Wells of Liverpool. As well as essential repairs to the wind system and pipework, the organ is being modified tonally so that it regains its original late Victorian grandeur and power. In its new guise the organ will have 51 stops over three manuals and pedals, and around 3,000 pipes.

Congratulations on your graduation and we hope that you have thoroughly enjoyed your time in Manchester. Whether you have secured a job or a place on a postgraduate course, or are still considering your options, we wish you the best for your future career.

## *Your career begins here*

### **Congratulations on your graduation**

Have you secured a graduate job offer or a place on a postgraduate course yet? If not, we are here to help. You can use the Careers Service for up to two years after graduation, for services including:

- Job vacancies. We advertise hundreds of opportunities each month: graduate-level positions with immediate start dates; training schemes with large organisations; jobs overseas; internships, and much more.  
[www.manchester.ac.uk/careerslink](http://www.manchester.ac.uk/careerslink)
- One-to-one careers advice and guidance. Speak with a qualified and experienced professional to discuss career possibilities and the steps required to get a job. We can arrange a meeting in person, over the phone or online (eg Skype).  
[www.manchester.ac.uk/careers/students/services](http://www.manchester.ac.uk/careers/students/services)
- Careers information and news. Access a wealth of resources to help you with your research by visiting our comprehensive website, Facebook groups, Twitter accounts, blogs or our Careers Resource Centre.

### **Want to work in Manchester?**

If you would like to stay and work in the Manchester area after graduation, sign up today for the Manchester Graduate Internship Programme (MGIP), an exclusive programme for new graduates of The University of Manchester. Through MGIP, you could get a 4-12 month, paid graduate internship in Greater Manchester.

The programme is especially ideal if you want to:

- Work for a small or medium-sized company (although we do occasionally advertise internships with large companies and indeed with the University itself)
- Gain relevant work experience to improve your chances of getting onto a graduate scheme or into a competitive area of work (eg marketing)
- Earn money to go on to further study or to go travelling

[www.manchester.ac.uk/careers/mgip](http://www.manchester.ac.uk/careers/mgip)

### **Please let us know what you're doing**

In a few months you will receive an important questionnaire from us (the 'Destinations of Leavers from Higher Education' survey) to find out what you have chosen to do. The government requires all universities to send out this survey and the information collected is used to help prospective students make their choice of university. Please help us by filling it in and rest assured that the information you provide will be anonymised and treated with confidence.

### **Finally, keep in touch**

Your student email address will be switched off very soon. Please update your preferred email address in Portal ([my.manchester.ac.uk](http://my.manchester.ac.uk)) or by visiting our stand near the robing room so that you can continue to access *CareersLink* for jobs and events: [www.manchester.ac.uk/careerslink](http://www.manchester.ac.uk/careerslink)

We wish you every success for the future.

# Alumni Association

Congratulations on your graduation day and welcome to the Manchester alumni family. Today you are joining a worldwide network of over 270,000 former students. We hope that your graduation will be a transition to a new stage of a lifelong connection between you and your University.

We want you to get involved and realise all the benefits we continue to offer you. Visit your alumni homepage ([www.manchester.ac.uk/alumni](http://www.manchester.ac.uk/alumni)), become a Facebook fan ([www.facebook.com/alumniuom](http://www.facebook.com/alumniuom)), follow us on Twitter and Instagram (@AlumniUoM), browse photos of our campus and events on Flickr ([www.flickr.com/manchesteralumni](http://www.flickr.com/manchesteralumni)), and join our LinkedIn group ([bit.ly/Li\\_AlumniUoM](http://bit.ly/Li_AlumniUoM)).

Your Alumni Association is supported by the University's Division of Development and Alumni Relations, providing you with a wide variety of opportunities for engagement, such as volunteering, networking events, social gatherings, career talks and resources, lectures by world-class academics and much more. With regular events in Manchester, London and all over the world, you can always keep in contact with your University and fellow alumni.

One of the ways you can help the next generation of students is by supporting Scholarship funds. In this way, alumni can support and enrich the teaching and learning of current students, contribute to outstanding University research programmes and help the University to continue to provide an excellent education for the students of today and tomorrow.

You'll also receive your annual alumni magazine, Your Manchester, which is dedicated to keeping you updated with University and alumni news. We'll send you a copy or you can read it online – look out for it every year. We also send a regular eNewsletter, in which many of our events are advertised and we feature topical news items.

Alumni who want to keep in touch find it very easy to do so. You can always chat to us through social media.

The alumni website, Your Manchester Online ([www.manchester.ac.uk/yourmanchester](http://www.manchester.ac.uk/yourmanchester)), gives you access to everything you will need, including how to update your details online, as well as information about events, new research and alumni networks and groups across the globe.

You automatically become a full member of the Alumni Association on graduation but, to enjoy all of the benefits, register online for your Alumni Association membership card and access to online services. Go to [www.manchester.ac.uk/yourmanchester](http://www.manchester.ac.uk/yourmanchester) and register using your student registration number (which is on your library card). This number is unique to you and will soon become your alumni number.

After you have registered you can enjoy the many alumni services the University offers, including the ever expanding: 'Your Manchester Extras'. You can get continued free use of the University library and also free remote access to many academic eJournals and reference material. The University's sports facilities are also still available to you at a preferential rate.

We have also negotiated dozens of special offers with various outlets on campus, as well as restaurants, hotels, theatres and commercial companies around Manchester (full details are available on Your Manchester Online).

## Famous Manchester alumni

Our graduates can be found in all walks of life and include some highly successful people: Chuka Umunna MP, Shadow Secretary of State for Business, Skills and Innovation; Winnie Cheung, former Chief Executive and Registrar of the Hong Kong Institute of Chartered Public Accountants; Toby Jones, film actor whose credits include Captain America, The Hunger Games and Tinker, Tailor, Soldier, Spy; Dame Sally Davies, Chief Medical Officer for England; Tom Bloxham MBE, the University's Chancellor and founder of the pioneering urban renewal property development company Urban Splash; Frances O'Grady, the first female General Secretary of the TUC; Brian Cox, Professor at The University of Manchester, Physicist working at CERN and science communicator; Leena Gade, the first female F1 engineer to win Le Mans 24 Hours race; Sam Bain and Jesse Armstrong, award-winning comedy writers of Peep Show and Fresh Meat; Benedict Cumberbatch, leading actor in the BBC television drama Sherlock and world box office hit Star Trek Into Darkness; Sir Peter Maxwell Davies, composer, conductor and Master of The Queen's music; Dr Mark Kermode, film critic; and George Maxwell Richards, the fourth President of the Republic of Trinidad and Tobago. To see more famous alumni visit the distinguished alumni library on Your Manchester Online.

## Manchester Business School Alumni Association (MBSAA)

Graduates of Manchester Business School can benefit from an additional alumni association, MBSAA, which has a global community of over 40,000 alumni across 164 countries. MBS graduates are encouraged to register for the MBS online community site – MBSNetwork Online – in order to access more benefits and services unique to MBSAA members. These include access to free online library resources, career development tools and information, a global calendar of events, and alumni groups. MBS graduates will also receive an additional annual magazine and monthly eNewsletter.

MBS graduates are invited to join the MBS LinkedIn group with over 8,000 members and more joining each day.

For more information, go to:

### **Emergency Evacuation procedure for Whitworth Hall**

During the course of this event no alarm test or an emergency evacuation practice has been planned.

Therefore, if the alarm, which sounds intermittently is activated it should be treated as a potential incident requiring evacuation.

Graduands and Guests are asked to remain calm and seated and follow the instructions given by stewarding staff.

The Assembly point is on the front quadrangle which is adjacent to the Whitworth Hall in front of the John Owens Building.
