This is a very quick and straightforward way to search for information or resources where the search terms are known to you.

Using the Search Box

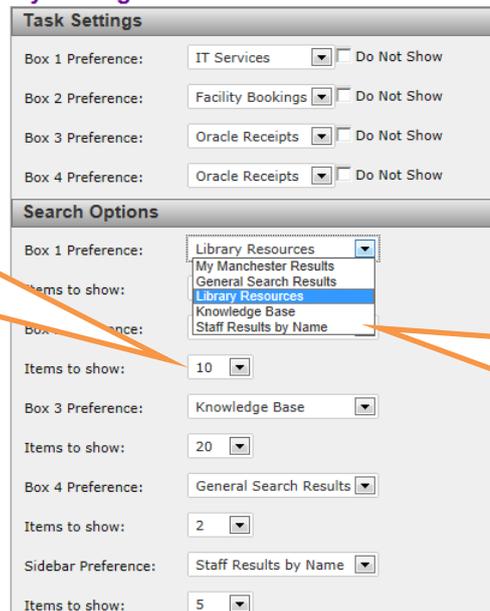

Entering a search term will return results from a variety of sources:

You can customise the returned results by changing the Search Options which can be accessed by clicking on the Settings icon in the Header Bar to get to the Settings page.

My Settings

The Items to show drop down allows you to choose how many search results are displayed

The Preference drop down allows you to choose the order in which your results are displayed based upon their source

Searching for People

My Manchester also allows you to search for people by using the Search Box.

This will return Staff Results by Name, with a summary of the details from the Staff Directory.

There is also an option to use an advanced search functionality, which will return the following screen:
