

MMSC Alumni

Overall purpose of the role

MMSC Alumni will provide informal mentoring, answering questions and sharing their experiences as FY1 and FY2 doctors with students from all years of the MBChB programme. MMSC alumni may communicate with their MMSC entirely online via The Hub, but will also be welcomed and encouraged to attend local events where geography permits.

MMSC Alumni will also join a group on The Hub containing all Year 5 students and other Alumni. This group will enable Year 5 students to communicate with Alumni pursuing a range of specialties and attached to a variety of Deaneries.

Role

MMSC Alumni will:

- Complete an online training programme;
- Log into The Hub for at least one hour per week. Please note that logging in for a few minutes each day is preferable to logging in once per week for a longer period;
- Attend and contribute to MMSC events when possible.

Qualities and Attributes

MMSC Alumni will be expected to be:

- Reliable in maintaining contact with their MMSC online via The Hub;
- Committed to helping students from all years to gain an insight into the life of a Foundation Year doctor;
- Professional in answering questions;.

Supported by training and development opportunities delivered by Manchester Medical School, MMSC Alumni will develop:

- Excellent communication skills;
- Informal mentoring skills that are transferable to teaching and learning situations.
