

INVITATION

Dr Niamh Collins requests the pleasure of your company on Friday 24th January to launch the Brooke MMSC.

Welcome to the "BROOKE MMSC" at Salford Royal NHS
Foundation Trust!

Manchester Medical Student Communities consist of approx 25 students from each year, their academic advisors, a Student Lead, and an MMSC Champion. The aim of the community is to provide a secure, positive and friendly environment, which will allow the development of meaningful professional relationships within a group of fellow students, academic and clinical staff.

The evening will include a guest speaker to tell you about practising medicine locally, quiz games, networking and food. This is your chance to get to know your MMSC

Please wear at least one thing orange for the evening. If you look on the SRFT map you will see that Brooke is orange...

We look forward to seeing you there.
