OPEN DAYS

Come and visit us at an open day:

2014

Friday, 20 June 2014

Saturday, 21 June 2014

Saturday, 27 September 2014

Saturday, 4 October 2014

2015

Friday, 19 June 2015

Saturday, 20 June 2015

Saturday, 3 October 2015

If you can't make it to an open day, you're welcome to join us for a guided visit of our campus or have a look round independently.

ABOUT THIS GUIDE

We don't want to weigh you down with loads of information, so this pocket guide gives you a list of the subject areas we offer and the essential entry requirements.

It also introduces you to our university and tells you how to find out more about what it's like to be a student here.

If you'd like a copy of our full 2015 undergraduate prospectus, you can order or download one at:
www.manchester.ac.uk/ug/prospectus

FIND OUT MORE ON YOUR PHONE

You can access videos at various points in this guide via your mobile phone. To access this extra information:

1. download the free Junaio app from iTunes or Google Play;
2. open the app and search for 'University of Manchester UG Prospectus';
3. hover your phone over the page wherever you see the logo above to find out even more about life in Manchester.

WELCOME TO MANCHESTER

We're influential and forward-thinking, down-to-earth and friendly, and we'll give you an amazing university experience that will set you up for success throughout your life.

We've been accomplishing feats of global significance for more than 180 years. Inventing the modern computer, splitting the atom, founding present-day economics and giving the world graphene – the wonder material that is one atom thick but 200 times stronger than steel – it all happened here.

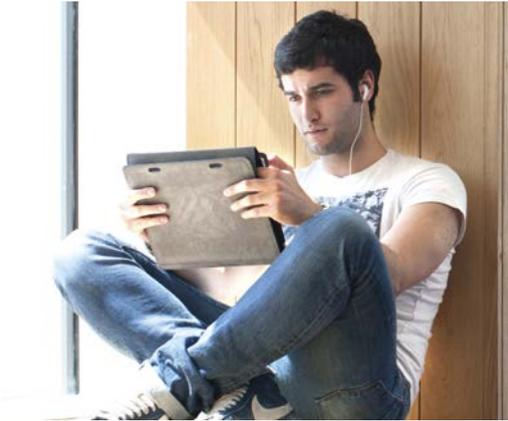

You'll be taught by experts who are recognised internationally as being leaders in their field and who bring the latest thinking and discoveries into the classroom.

You'll get much more than a degree here. We'll cultivate your independence, challenge you to think differently and make you more attractive to employers – all at the heart of Britain's most popular student city.

OUR CAMPUS

Packed with excellent facilities, our friendly campus offers everything you need for learning and living. Our 40,000 students from 154 countries create a village within a city, where a multicultural community comes together to study and relax.

We've already completed the biggest investment in buildings and facilities ever seen at a British university, and we're now investing a further £1 billion.

You'll get to enjoy one of the largest libraries at a UK university, fantastic sports facilities, our own museum and art gallery, and the ultra-modern Alan Gilbert Learning Commons, which offers flexible study spaces that are open 24/7, exclusively for our students.

Not to mention our Students' Union, which is the biggest in the country and has its own shops, cafes and bars, as well as four live entertainment venues.

OUR CITY

We're proud to be located in Manchester, the most popular student city in the UK.

The University is an integral part of this exciting, friendly place and we're certain Manchester will feel like home to you in next to no time.

You'll soon get a feel for our unique character. You can't fail to be impressed by our boundless creativity.

A wealth of music venues, international festivals and prestigious sporting events – not to mention theatres, galleries, museums and restaurants catering to all tastes – make for a social and cultural scene that's the envy of most cities.

With a major international airport on your doorstep and excellent road and rail links with the rest of the country, Manchester is also one of the most accessible cities in the UK.

Inset (top left): Peter Blake's I Love You (1982), one of the treasures of our Whitworth Art Gallery.

CAREERS

FIND
OUT
MORE

www.manchester.ac.uk/careers

Top employers target Manchester graduates, so we'll give you every opportunity to make important connections and find out about possible careers.

We offer you careers advice from the day you arrive, including help finding work experience that will make you stand out from the crowd, mentoring provided by experienced professionals, and courses and workshops to boost your CV.

And you'll get so much more than a degree at Manchester. Our courses build your intellectual capacity, equipping you to think critically and independently. Furthermore, we'll give you the kind of skills that employers require, such as teamwork, delivering presentations and creative problem-solving.

STUDY ABROAD

Our study abroad programme enables you to experience life in a different country as part of your course. You can broaden your horizons, experience different cultures, and learn or improve a foreign language.

With nearly 200 international universities to choose from, and no additional tuition fees, all you've got to worry about is where you want to go.

And you don't even have to study a language to take part.

ACCOMMODATION

Finding somewhere to live isn't a problem here. If you're a new student and are coming to study at Manchester alone, then we can guarantee you University accommodation in your first year. Our huge range of student accommodation means we've got something for everyone – from modern self-catering flats to traditional collegiate-style halls of residence.

Whether you choose leafy Victoria Park or the bustling student suburb of Fallowfield, you'll enjoy a safe living environment, a communal atmosphere and onsite support from our pastoral teams – all just minutes from campus.

And if you don't want to live in halls, we can point you in the right direction of the best privately rented student accommodation in Manchester.

SUPPORT

We want you to make the most of Manchester and we'll make sure you get all the help you need. You'll have access to specialist support services to keep you on track academically and personally.

We've just opened the Atrium, where you'll find experienced and sympathetic staff who'll help you with any difficulty, whether it's financial, personal, academic or administrative. Specialists in our Disability Support Office can assist with any additional requirements or adjustments, while our Counselling Service has trained counsellors who can talk through any personal problems.

If you'd rather speak to fellow students, you can use the Students' Union Advice Service, which is staffed by professional advisers and specially trained student officers.

YOUR COURSE

We have more than 400 courses to choose from – and, on many, we offer multidisciplinary options so you can tailor your degree to your interests.

The following pages show our full list of courses and entry requirements.

Please note that entry requirements are indicative only and don't include all our subject-specific or GCSE requirements.
