## WELCOME TO INTERNATIONAL SUMMER INSTITUTE (ISI)

SNU ISI offers an exceptional opportunity for students to study at South Korea's prestigious university at one of the leading universities in the world. SNU ISI provides an intensive six-week summer program led by distinguished scholars. All lectures are conducted in English, and held from Monday to Thursday. ISI also offers extra field activities for experiencing Korean culture and society.

Enjoy your summer in Seoul, experiencing dynamic Korean culture with friends and also acquiring knowledge from leading scholars.
