

How to access the Good Clinical Practice (Online) course in Blackboard

Logging in

1. Open a web browser and go to online.manchester.ac.uk
2. At the login page, enter your University username and password and hit the login button.

3. You should then be taken to the Blackboard home page, which looks something like this:

4. Under the 'Course List' heading, look for:

MHSEL0016 Good Clinical Practice (Online) + start date

Click on the course title to open the course space in Blackboard. You will be taken to the Good Clinical Practice course home page.

Logging out

To logout of Blackboard, click on the  icon in the top right corner of the screen (next to your name). In order to fully logout, it's important that you also close your web browser.

More information

General guidance on using Blackboard is available here: [Blackboard help](#)
